

Vantomia Foods' key stakeholders to be taken into account include.

- - The government, as it encourages the growth of ecommerce
- - Customers, and followers of Vantomia Foods on the internet
- - The employees of Vantomia Foods team and wider indirect employees in the supply chain such as farmers and logistics team
- The existing local farmers and middleman who provide feedstock (Fonio) for the food processing (important resource)

1.2 Marketing fit with corporate and business strategy

Vantomia Foods understands the importance of delivering value and premium quality. The organization was founded on a clear idea of who the customer is, how to provide value (ecommerce) and how to communicate it (online dialogue). The Value Chain shows that Vantomia Foods can identify and enhance primary and support activities in order to improve customer value. For instance, Vantomia foods is looking to scale up its business by moving to a wider expanse of land. This would increase production capacity and have implications for logistics, operations, marketing and service, as well as various support activities. Vantomia foods has continued to capitalize on its core competency, Quality of product as well as a growing brand awareness. The product Fonio meal is becoming known for its premium quality and taste in the city of Abuja.

Vantomia foods has a corporate mission- To make organic healthy food options affordable and accessible to everyone. This would be achieved by product differentiation and online advertisements to create brand awareness.
