Caroline, Bob Elling, Mike Smith, 2012-08-16

*Nancy Caroline's Emergency Care in the Streets* Seventh Edition is the next step in the evolution of the premier paramedic education program. This legendary paramedic textbook was first developed by Dr. Nancy Caroline in the early 1970s and transformed paramedic education. Today the American Academy of Orthopaedic Surgeons is proud to continue this legacy and set the new gold standard for the paramedics of tomorrow. The Seventh Edition reflects the collective experience of its top flight author team and decades of street wisdom. This fully updated edition covers every competency statement of the National EMS Education Standards for paramedics with clarity and precision in a concise format that ensures student comprehension and encourages critical thinking. This edition emphasizes the ideal that becoming a paramedic is a continual pursuit of growth and excellence throughout an entire career. Concepts of team leadership and professionalism are woven throughout the chapters, challenging students to become more compassionate, conscientious health care professionals as well as superior clinicians.

**The Situational Judgement Test at a Glance** Frances Varian, Lara Cartwright, 2013-02-18

*The Situational Judgement Test at a Glance* The *at a Glance* series is popular among medical students and junior doctors for its concise and simple approach and excellent illustrations. Each bite-sized chapter features colour diagrams and tip boxes accompanied by explanatory text. Covering a wide range of topics, books in the *at a Glance* series are ideal as introductory subject texts or for revision purposes and are useful throughout medical school and beyond. Everything you need to know about *The Situational Judgement Test at a Glance* *The Situational Judgement Test at a Glance* provides a sound introduction to the SJT and details ways you can prepare before the assessment. It includes worked case examples based on real life scenarios which have been reviewed by experienced clinicians and examiners. The book draws out key aspects of professional practice relevant to the role of a junior doctor. This is based on the nine domains as outlined by the ISFP Improving Selection to Foundation Programme who detailed the behaviours necessary to be a competent Foundation Doctor. The overall aim of *The Situational Judgement Test at a Glance* is not to spoon-feed hundreds of practice questions or reams of guidelines but to steer you towards a logical way of approaching best medical practice and therefore the SJT with many examples of doctors' personal experiences along the way. Challenging scenarios are analysed using guidelines from the General Medical Council and research interviews with patients, lab staff and healthcare professionals. All examples in the book are worked in a test style apparatus with questions on one side and detailed answers

over the page so you can understand the reasoning behind the material

Topics in Signed Language Interpreting Terry Janzen, 2005-10-26 Interpreters who work with signed languages and those who work strictly with spoken languages share many of the same issues regarding their training skill sets and fundamentals of practice Yet interpreting into and from signed languages presents unique challenges for the interpreter who works with language that must be seen rather than heard The contributions in this volume focus on topics of interest to both students of signed language interpreting and practitioners working in community conference and education settings Signed languages dealt with include American Sign Language Langue des Signes Québécoise and Irish Sign Language although interpreters internationally will find the discussion in each chapter relevant to their own language context Topics concern theoretical and practical components of the interpreter's work including interpreters' approaches to language and meaning their role on the job and in the communities within which they work dealing with language variation and consumer preferences and Deaf interpreters as professionals in the field
