

POLYCOM™ VVX300

QUICK USER GUIDE

PHONE VIEWS

Your phone has four main Views: **Home**, **Calls**, **Active Call**, and **Lines View** (the default). You can access Home and Lines View at any time. If your phone has one or more calls, you can also access Calls or Active Call View.

For Home View from any menu, press .

Press  to alternate between Home and Lines View.

HOME VIEW

Home View displays icons you can select to access phone functions.

New Call Messages Directories

    Page Indicator

You can use the right, left, up, and down arrow keys to display more icons.

LINE VIEW

Lines View displays phone Lines, Favorites, and soft keys.

If your phone is idle, you can press the Line key to access the Dialer.

TIP: Switching to Soft Keys

In this guide, soft keys are referred to by their name only. For example, to end an active call, press **End Call**.

CALLS VIEW

If your phone has one or more calls, you can access Calls View.

Call colour indicates status:

- Medium Grey: Active call
- Dark Grey: Incoming call
- White: Held call

Use the up and down arrow keys to select a call (highlight it). The soft keys control the highlighted call.

ENTERING DATA

Use the dialpad keys to enter information. To backspace, press **Backspace** .

To type with the dialpad keys, press a key repeatedly to view the character options and stop to select.

To type other characters, press **Encoding** or **Mode**. When using the dialpad keys, use the *, 0, and # keys.

ABOUT CALLS

Only one call can be active at one time.

You can use the handset, speakerphone, or headset for calls. During a call, you can change modes by picking up the handset, or by pressing  or .

If you navigate away from your call(s), press  to see Active Call or Calls View again.

TIP: Switching Between Lines and Calls View

Switch from Calls View to Lines View (More > Lines)
Switch back to Calls View (More > Calls)

PLACING CALLS

Pick up the handset, or press  or .
Enter the phone number, and press **Send**.

Or enter the phone number first, then press **Dial**, pick up the handset, or press  or .

From Lines View: Press the phone Line key, enter the phone number, and press **Send**.

From Home View: Select **New Call** using the left and right arrow keys. Enter the phone number, and press **Send**.

ANSWERING CALLS

To answer with the speakerphone, press  or tap **Answer**. To answer with the handset, pick up the handset. To answer with a headset, press .

To answer a new call while on an active call press **Answer**. The current call will be held.

ENDING CALLS

To end an active call, replace the handset, press  or . Or, press **End Call**.

To end a held call, navigate to Calls View and highlight the held call. Press **Resume**, and press **End Call**.

HOLDING CALLS

From Calls View, press **Held** or  Remember to highlight the call first.

To resume a held call, press **Resume** or  again.

TRANSFERRING CALLS

From Calls View, press **Transfer** or  and call the other party. When you hear the ringback tone, or after you talk with the other party, press **Transfer** or  again. Press **Blind** to complete a transfer without waiting for the ringback tone.

humanitarian purposes have evolved over the last decade or so in a largely autonomous way Communication between them has been informal and relatively limited in scope This situation could be improved by developing a comprehensive approach to the collection and dissemination of information A recent review identified seven telemedicine networks each of which had been in operation for at least five years and which provided store and forward telemedicine services to doctors in low and middle income countries These networks provide clinically useful services and improved healthcare access However like much of telemedicine the formal evidence for their cost effectiveness remains weak Topics of current research interest therefore include the cost effectiveness of telemedicine in resource limited settings Outcomes data and methods for gathering it such as patient quality of life following a telemedicine episode the knowledge gain of healthcare staff involved in telemedicine and staff recruitment and retention in rural areas are also of interest Finally there is little published information about the performance of these telemedicine networks and methods for measuring it about how best to manage them and about how to share resources between them A collection of articles reporting the current evidence supporting the use of telemedicine in resource limited settings would build the evidence base and should provide a focus for future research It would also serve to raise the profile of this potentially important research field **Computerworld** ,2006-10-23 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld s award winning Web site Computerworld com twice monthly publication focused conference series and custom research form the hub of the world s largest global IT media network **PC Magazine** ,2005 **Polymers** Bryan Ellis,Ray Smith,2008-10-29 A reliable source for scientific and commercial information on over 1 000 polymers this revised and updated edition features 25 percent new material including 50 entirely new entries that reflect advances in such areas as conducting polymers hydrogels nano polymers and biomaterials The second edition also comes with unlimited access to a complete fully searchable web version of the reference Powerful retrieval software allows users to customize their searches and refine results Each entry includes trade names properties manufacturing processes commercial applications supplier details references and links to constituent monomers **Selling Snake Oil** Mo Lidsky,2019-10-24 Selling Snake Oil is sensational confrontation with the masterminds of the world s most innovative and astonishing investment frauds This book offers a glimpse into the ingenuity psychology and strategies of history s most effective swindlers who successfully duped US presidents savvy CEOs seasoned investment professionals and everyday investors like you and me The cases are as real as the victims that lay in their waste But most important are the eternal lessons they left behind This book is as entertaining as it is actionable with every story offering readers another layer of protection in their efforts to ward off the charlatans of the future You will travel from the shores of Antigua to the farms of Ontario from the Eiffel Tower to small town America and into the sanctuaries of Wall Street The stories will carry you across the broadest gamut of geographic and historical narratives All of which with the singular objective of helping you avoid the next snake oil salesman **Network World** ,2001-05-21 For
