Subject :- Letter of intent for medical school

Respected Sir,

I am John Decosta and applying for medical school course this fall season. I have been interviewed on the 1st of March 20XX and received a letter from Norton Medical University for admission. The initial speech by the interviewer regarding the medical profession and a brief introduction of the medical schools was simply amazing.

I was asked about my opinion regarding my career aim and reason for pursuing medical studies. I was advised to choose a school that provides me best opportunity to take up the specialization that I desire to undertake. With regard to this I wish to request your esteemed medical authority to give me an opportunity to take admission from Edinburgh Medical University which provides me a chance to take up bio-medical studies which I am highly interested in.

I am right now learning the different ways of research that the field of bio-medical study proposes and this has helped me to a very large extent in getting a clear grasp of the subject matter. Moreover Edinburgh Medical University is one such university that has continuous research being undertaken by world's most renowned medical experts.
