Dear Mr./Ms.,

I am writing to apply for this internship program. My solid obligation to my works has been shown in my various volunteer encounters locally and at college. All through my certification, I chipped in week by week at nearby elementary schools where I lectured Class 6 and 7 subjects. Seeing the students light up with fervor while taking an interest in a scientific exploration or the understudy who has battled with a numerical idea to finally get what to do has been limitlessly compensating for me. Past the prizes, these encounters have shown me how to tailor my way to deal with the students' necessities and viably impart ideas to a gathering. abilities I know would work well for me in my future positions.

Through my examination as a math understudy, I have demonstrated my capacity to keep up with high interest, learn convoluted things and not surrender without any problem.
