

Good evening brethren!

This day will be noted as to be one of those rare and wonderful moments because of our invited guest. His name echoes the essence of service, dedication and faithfulness to the work of God.

According to D. L. Moody, God always uses the man closest to His heart. Undeniably, our guest preacher, **Rev. Doc. Renato Layco**, who came to know the Lord on August 11, 1978, is a man close to God's heart.

Dr. Layco is a diligent worker of God's vineyard from August of 1979 up to present, reaching out and transforming people's lives through preaching the word of God.

He is happily married to **Mrs. Digna Narciso Layco**, from Paniqui, Tarlac on May 7, 1988.

His achievements even prior to being a Pastor are truly commendable. He graduated with a degree in Electrical Engineering at Tarlac State University and passed the Board Exam for BSEE.

Bold spirited, he took up and finished his degree in Bachelor of Theology as well as Master of Theology at Liberty College in Lynchburg, Virginia USA in 1996; while his Doctor of Theology at Knox Theological Seminary in Fort Lauderdale, Florida USA in the year 2000.

At present, he is a **Resource Speaker**, a dynamite preacher frequently invited by different churches to share the word of God for various occasions; a **Church Consultant**; a **Counselor**; a **Bible Teacher** and a **Bible School Director**.

As J. Hudson Taylor once said, "All of God's great men are men who did great things for God because they reckoned on His being with them; they counted on His faithfulness." Indeed, our guest preacher for tonight is a man with great faith. And that seed of faith is the reason for him being here tonight.

A man I personally admire because of his wisdom, generous heart, caring spirit and unconquerable faith in God. Please welcome, Rev. Doc. Renato Layco.

Kroesbergen-Kamps,2023-03-01 In this book it is argued that narratives about Satanism which have become popular in the Christian context of Zambia from the 1990s onwards make cultural sense because of their links to traditional African notions as well as contemporary Christian theologies These narratives also resonate with unease regarding the cultural change which is connected by Zambians to modernity Narratives about Satanism further make personal sense to their narrators the pastors who provide a platform for them and their audiences These arguments contribute to the academic study of religion in Africa in particular of African Christianity and of witchcraft related phenomena as well as to the global study of discourses on Satanism and other conspiracy theories All of these disciplines are related to the topic of Satanism in Zambia but the phenomenon itself has not been discussed at length which makes the existing academic literature incomplete and inadequate The comprehensive focus on the case of narratives about Satanism in Zambia offers new insights and enhances current

theoretical reflection The research presented in this book is original carried out during fieldwork spanning from 2012 to 2017 in Zambia and literature study in the years after that Methodologically the research is based on participant observation in churches in which testimonies of ex Satanists were presented as well as participation in the Fingers of Thomas a Roman Catholic group which investigates rumours about Satanism Furthermore it is based on interviews with pastors and students of theology active in the deliverance ministry from Pentecostal as well as mainline churches and also on interviews with people who have had experiences of Satanism Finally the research is based on an analysis of collected testimonies of ex Satanists as they were presented in these interviews in churches on radio programmes in newspapers and in other sources
