

Shadowland A Gothic Western

North East Popular Culture Association

Shadowland A Gothic Western:

The Gothic World of Stephen King Gary Hoppenstand, Ray Broadus Browne, 1987 Stephen King's popularity lies in his ability to reinterpret the standard Gothic tale in new and exciting ways Through his eyes the conventional becomes unconventional and wonderful King thus creates his own Gothic world and then interprets it for us This book analyzes King's interpretations and his mastery of popular literature The essays discuss adolescent revolt the artist as survivor the vampire in popular literature and much more

The Quest for the Dark Tower Alissa Burger, 2021-04-09 A sprawling epic that encompasses many worlds parallel and alternate timelines and the echoes between these disconnects Stephen King's Dark Tower series spans the entirety of King's career from The Gunslinger limited edition 1982 revised in 2003 to The Wind Through the Keyhole 2012 The series has two distinctive characteristics its genre hybridity and its interconnection with the larger canon of King's work The Dark Tower series engages with a number of distinct and at times dissonant genre traditions including those of Arthurian legend fairy tales the fantasy epic the Western and horror The Dark Tower series is also significant in its cross references to King's other works ranging from overt connections like characters or places to more subtle allusions like the sigil of the Dark Tower's Crimson King appearing in the graffiti of other realities This book examines these connections and genre influences to consider how King negotiates and transforms these elements why they matter and the impact they have on one another and on King's work as a whole

Reflections of the Brazos Valley D. Gentry Steele, M. Jimmie Killingsworth, 2007-10-19 Many years ago John Graves said goodbye to a wild river that tumbled out of the Hill Country and was forever changed by dams and people In this book we say hello to that same river farther down its course in the valley that carries its name When naming the signature landscapes of Texas if you have never said Brazos Valley in the same breath as Hill Country or Big Bend this book could change your mind In the fine penetrating photography of D Gentry Steele and the revealing affectionate reflections of M Jimmie Killingsworth the Brazos Valley has found its champions in two adopted sons who have learned to love its quiet uncelebrated beauty In words and pictures Killingsworth and Steele remind us that this valley was the birthplace of a republic was once the agricultural heart of Texas and was the ancestral home of a great alluvial river Here the Brazos is and isn't John Graves's river the one with clear running waters flowing beneath limestone cliffs A little south of Waco the river gets bigger slower muddier In its middle reaches it creates a wide swath of bottomlands and prairies where if you take the time to look you will discover the natural virtues of this place peaceful glens watered forests flowers birds and backyard wildlife This book will inspire all who live and work here and those who just visit to see the Brazos Valley anew and form a fuller appreciation of what it offers

Mortality and Music Christopher Partridge, 2015-08-27 The evidence of death and dying has been removed from the everyday lives of most Westerners Yet we constantly live with the awareness of our vulnerability as mortals Drawing on a range of genres bands and artists Mortality and Music examines the ways in which popular music has responded to our awareness of the inevitability of

death and the anxiety it can evoke Exploring bereavement depression suicide violence gore and fans responses to the deaths of musicians it argues for the social and cultural significance of popular music s treatment of mortality and the apparent absurdity of existence The Gothic Literature and History of New England Faye Ringel,2022-02-01 The Gothic Literature and History of New England surveys the history nature and future of the Gothic mode in the region from the witch trials through the Black Lives Matter Movement Texts include Cotton Mather and other Puritan divines who collected folklore of the supernatural the Frontier Gothic of Indian captivity narratives the canonical authors of the American Renaissance such as Melville and Hawthorne the women s ghost story tradition and the Domestic Gothic from Harriet Beecher Stowe to Charlotte Perkins Gilman to Shirley Jackson H P Lovecraft Stephen King and writers of the current generation who respond to racial and gender issues The work brings to the surface the religious intolerance racism and misogyny inherent in the New England Gothic and how these nightmares continue to haunt literature and popular culture films television and more *Consumable Goods* North East Popular Culture Association,1987 **The Future of the Soviet Past** Anton Weiss-Wendt,Nanci Adler,2021-10-05 In post Soviet Russia there is a persistent trend to repress control or even co opt national history By reshaping memory to suit a politically convenient narrative Russia has fashioned a good future out of a bad past While Putin s regime has acquired nearly complete control over interpretations of the past The Future of the Soviet Past reveals that Russia s inability to fully rewrite its Soviet history plays an essential part in its current political agenda Diverse contributors consider the many ways in which public narrative shapes Russian culture from cinema television and music to museums legislature and education as well as how patriotism reflected in these forms of culture implies a casual acceptance of the valorization of Stalin and his role in World War II The Future of the Soviet Past provides effective and nuanced examples of how Russia has reimagined its Soviet history as well as how that past still influences Russia s policymaking **Western Europe** Geert Cole,1999 A comprehensive guide to independent travel in Western Europe Andorra Austria Belgium Britain France Germany Greece Ireland Italy Liechtenstein Luxembourg the Netherlands Portugal Spain and Switzerland Book jacket **Contemporary Children's Literature and Film** Kerry Mallan,2011-07-13 Bringing together leading and emerging scholars this book argues for the significance of theory for reading texts written and produced for young people Integrating perspectives from across feminism ecocriticism postcolonialism and poststructuralism it demonstrates how these inform approaches to a range of contemporary literature and film **The Architecture of Bergen County, New Jersey** T. Robins Brown,Schuyler Warmflash,2000 The Architecture of Bergen County New Jersey presents an accessible overview of the county s architectural heritage and its historic structures The volume explores the styles trends and events that influenced the design and setting of the region s buildings More than 150 photos document Bergen County s architectural treasures generating awareness and appreciation for these structures and their history The Architecture of Bergen County New Jersey demonstrates the close association between architectural development at the national and local levels and shows

how social technological and political changes occurring within the county have been reflected in the building types and styles of the area
