Fundamentals of Corporate Finance, 5th Edition Robert Parrino, Hue Hwa Au Yong, Nigel Morkel-Kingsbury, Jennifer James, Paul Mazzola, James Murray, Lee Smales, Xiaoting Wei, 2025-12-30 Fundamentals of Corporate Finance 5th Edition is a core resource for business students particularly those who find the mathematical aspects of finance challenging The text presents financial principles in a clear logical sequence supporting comprehension through a step by step approach Beyond technical skills the resource encourages the development of analytical thinking through local examples and real world applications This helps students build the intuition required to apply financial tools effectively in practice Handbook of Borderline Personality Disorder in Children and Adolescents Carla Sharp, Jennifer L. Tackett, 2014-04-21 Diagnosing Borderline Personality Disorder BPD in young people has long been a tough call for clinicians either for fear of stigmatizing the child or confusing the normal mood shifts of adolescence with pathology Now a recent upsurge in relevant research into early onset BPD is inspiring the field to move beyond this hesitance toward a developmentally nuanced understanding of the disorder The Handbook of Borderline Personality Disorder in Children and Adolescents reflects the broad scope and empirical strengths of current research as well as promising advances in treatment This comprehensive resource is authored by veteran and emerging names across disciplines including developmental psychopathology clinical psychology child psychiatry genetics and neuroscience in order to organize the field for an integrative future Leading edge topics range from the role of parenting in the development of BPD to trait based versus symptom based assessment approaches from the life course trajectory of BPD to the impact of the DSM 5 on diagnosis And of particular interest are the data on youth modifications of widely used adult interventions with session excerpts Key areas featured in the Handbook The history of research on BPD in childhood and adolescence Conceptualization and assessment issues Etiology and core components of BPD Developmental course and psychosocial correlates Empirically supported treatment methods Implications for future research assessment and intervention The Handbook of Borderline Personality Disorder in Children and Adolescents is a breakthrough reference for researchers and clinicians in a wide range of disciplines including child and school psychology and psychiatry social work psychotherapy and counseling nursing management and research and personality and social psychology *Current Catalog* National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70

El-Hi Textbooks & Serials in Print, 2003, 2003 **Immaculate Forms** Helen King, 2025-01-28 Never has medical history been more entertaining Dr Jennifer Gunter author of *The Vagina Bible* than in this turbulent history of women's bodies from classical Greece to the modern age Breasts clitoris hymen and womb Across history these body parts have told women who they are and what they should do Although knowledge of each part has changed through time none of them tells a simple story The way they work and in some cases even their existence have been debated They can be seen as powerful or as disgusting as relevant only to reproduction or as sources of sexual pleasure In *Immaculate Forms* classicist and historian

Helen King explores the symbiotic relationship between religion and medicine and their twinned history of gatekeeping over these key organs that have been used to define woman illustrating how conceptions of women's bodies have owed more to imagination and myth than to observation and science Throughout history the way we understand the body has always been debated and it is still shaped by human intervention and read according to cultural interpretations Astute and engaging Immaculate Forms is for everyone who has wondered what history has to say about today's raging debates over the human body and who is really female PC Mag ,1983-10 PCMag.com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology **Bibliography of Agriculture with Subject Index** ,1977-10
