Queens Of Britain:

The Kings and Queens of Britain John Cannon, Anne Hargreaves, 2009-03-26 This authoritative and accessible guide to the British monarchy spans the Romano British rulers of 55 BC to the present day House of Windsor Generously illustrated with maps photos paintings and genealogies it contains a wealth of information on the rulers of Britain including their policies personalities key dates and legacies There are almost 600 entries which are organised by regions up to 1066 and by royal lines thereafter Feature articles throughout the guide provide in depth information on key royal topics including Coronations Regalia the Tower of London and new to this edition Westminster Abbey and St Paul s Cathedral Revised and updated to include recent events such as the second marriage of Prince Charles this new edition also contains a topical introductory article on the changing role of the monarchy There is a useful glossary a list of recommended further reading and a new appendix of recommended web links accessed and kept up to date via a companion website Comprehensive and elegantly written this fascinating guide to the British monarchy is an essential reference resource for teachers and students of British history and for anyone with an interest in Britain s rulers through the ages **The Kings and Queens of Britain** Cath Senker, 2021-08-15 Who was the first king of England Did Henry I assassinate his brother How did Bloody Mary reinstate Roman Catholicism For more than 1 000 years the British monarchy has dramatically shaped national and international history Kings and queens have conquered territory imposed religious change and extracted taxation each with their own motivations and ambitions In this fascinating book Cath Senker delves into the extraordinary history of the British monarchy and its host of kings queens and pretenders There have been benevolent rulers violent ones religious fanatics brilliant economists masters of diplomacy and the power hungry But whether they have abused their power or used it for good each monarch has played a part in the rich tapestry of British history coping with both international and civil wars rebellions and criticism The Kings Queens of Britain introduces a thousand year history providing rich biographical detail of Britain s remarkable monarchs **Debrett's Kings and Queens of Britain** David Williamson, 1986 **The Wordsworth Book of the Kings & Queens of Britain** G. S. P. Freeman-Grenville, 1997 Dr G S P Freeman Grenville was the consultant for Burke s Royal Families of the World and his major work was the Chronology of World History This specially commissioned Book of the Kings Queens of Britain a magisterial and entertainingly written overview of British monarchs from Cerdic First King of Wessex to George VI is an invaluable guide to the regal chronology of Britain and contains many insights into the foibles of one of the world s most interesting and resilient constitutional monarchies through the vagaries of war pestilence regicide civil wars and marriage **Kings and Queens of Britain** Katharine Hoare, 2006 Britain has been famous for its monarchy for centuries This is the perfect introduction to over twenty of the most fascinating kings and queens and their links to the collections of the British Museum Colourfully illustrated and accompanied by clear authoritative text it s a striking lively and concise exploration of the highlights of the royal history of Britain The book opens with an introduction to

the role of monarchy in Britain over time and includes a complete list of the numerous kings and queens from the ninth century to the present day with entries on over twenty key British monarchs Important themes of the book include How objects carried the image of the monarch across their kingdom in the days before the mass media Representations of people associated with the monarchy their friends their family their foes How objects reveal links between the British monarchy and peoples around the world How Britain has been ruled by kings and queens overlords empresses and republicans The Kings & Queens of Britain Cath Senker,2019-12-15 Who was the first King of England Did Henry I assassinate his brother How did Bloody Mary reinstate Roman Catholicism For more than 1 000 years the British monarchy has dramatically shaped national and international history Kings and queens have conquered territory imposed religious change and extracted taxation each with their own motivations and ambitions In this beautifully illustrated book Cath Senker delves into the extraordinary history of the British monarchy and its host of kings queens and pretenders There have been benevolent rulers violent ones religious fanatics brilliant economists masters of diplomacy and the power hungry But whether they have abused their power or used it for good each monarch has played a part in the rich tapestry of British history coping with both international and civil wars rebellions and criticism The Kings and Queens of Britain introduces this fascinating thousand year history providing rich biographical detail of Britain's remarkable monarchs ABOUT THE SERIES Sirius Visual Reference Library brings together wonderfully illustrated reference guides on scientific and historical topics made bold and fascinating through full color maps timelines photographs feature boxes and other visual elements The Illustrated Encyclopedia of the Kings & Queens of Britain Charles Phillips,John Haywood,2007 *The Complete Illustrated Guide to the Kings and Queens of Britain* Charles Phillips,2016-01-07 In this beautifully illustrated volume Charles Phillips charts the complete history of the royal families of Britain Beginning in earliest times with the legend of King Arthur Eric Bloodaxe and the real life history of Macbeth he describes the lives and legends of the kings and queens of Britain their consorts and children and the pretenders usurpers and regents who played a role in the making of the United Kingdom Fact boxes highlight the essential events of each reign as well as maps charts and family trees A valuable reference book for any historian this guide will fascinate every reader interested in one of the longest running monarchies in the world Britain's Kings and Queens Sir George Bellew,1971 **Kings & Queens of England & Great Britain** Eric R. Delderfield,1998 A historical guide to the British monarchy from the Saxons to Elizabeth II *Queen Elizabeth II* Charles River Charles River Editors,2017-01-11 Includes pictures Includes quotes by the Queen about her life and reign Includes online resources and a bibliography for further reading Includes a table of contents When I was twenty one I pledged my life to the service of our people and I asked for God's help to make good that vow Although that vow was made in my salad days when I was green in judgement I do not regret nor retract one word of it Elizabeth II Until the implementation of new legislation on March 26 2015 men were given preference to women in the British royal line This system of male primogeniture meant that women seldom inherited the

throne and even when they did they were often dominated by male councillors Those women who married British kings gained the title of Queen but they were queen consorts holding the title with no power This makes Elizabeth II one of a select few queens regnant queens ruling in their own right and one of even fewer to set her own course in the history of her family and its throne This is ironic given that history and Elizabeth's relation to preceding monarchs made it highly unlikely that she would ever even inherit the throne It was only the abdication of her uncle in circumstances that shocked the world that put the young Princess Elizabeth's father on the throne and made her the heir In less tumultuous times hers would not have been the head that wore the crown Nonetheless Queen Elizabeth II has become so much a part of British society and culture that her presence is taken almost for granted setting the standard people now expect of a British monarch The longest lived and second longest reigning monarch in British history Elizabeth II has overseen her country during a time of incredible turmoil and ever accelerating change providing a stable figure at the heart of a nation going through seemingly endless upheavals Her impact in this regard extends beyond the United Kingdom and all the way to those countries of the Commonwealth over which she is still monarch In too many ways to count hers has been an extraordinary reign but even as she has been able to portray herself as a figure of tradition she has been a modern queen in many respects so even as she reaches old age and her subjects are forced to consider what life will be like without her she has set the Royal Family on a path to modernity Queen Elizabeth II The Life and Legacy of Britain's Second Longest Reigning Monarch traces the life of Elizabeth II and the history of her reign Along with pictures of important people places and events you will learn about Queen Elizabeth II like never before in no time at all

British Monarchs Michael Ashley, 1998 A record of Britain's kings and queens who have ruled all or part of Britain covering more than 1000 monarchs and 2000 years of history It includes the host of tribal and Saxon rulers prior to 1066 as well as famous monarchs such as Richard III Elizabeth I and Charles II and all the rulers of Scotland and Wales It provides full details of all the rulers wives consorts pretenders usurpers and regents as well as powerful nobles and dignitaries There is also a listing of royal records such as who are the most the least the shortest the longest the richest the poorest and a geographical guide to where all Britain's monarchs lived and died including their palaces estates and resting places
