Competition Law in South Africa Precious N. Ndlovu, 2018-04-23 Derived from the renowned multi volume International Encyclopaedia of Laws this practical analysis of competition law and its interpretation in the South Africa covers every aspect of the subject the various forms of restrictive agreements and abuse of dominance prohibited by law and the rules on merger control tests of illegality filing obligations administrative investigation and enforcement procedures civil remedies and criminal penalties and raising challenges to administrative decisions Lawyers who handle transnational commercial transactions will appreciate the explanation of fundamental differences in procedure from one legal system to another as well as the international aspects of competition

law Throughout the book the treatment emphasizes enforcement with relevant cases analysed where appropriate An informative introductory chapter provides detailed information on the economic legal and historical background including national and international sources scope of application an overview of substantive provisions and main notions and a comprehensive description of the enforcement system including private enforcement The book proceeds to a detailed analysis of substantive prohibitions including cartels and other horizontal agreements vertical restraints the various types of abusive conduct by the dominant firms and the appraisal of concentrations and then goes on to the administrative enforcement of competition law with a focus on the antitrust authorities powers of investigation and the right of defence of suspected companies This part also covers voluntary merger notifications and clearance decisions as well as a description of the judicial review of administrative decisions Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for business and legal professionals alike Lawyers representing parties with interests in the South Africa will welcome this very useful guide and academics and researchers will appreciate its value in the study of international and comparative competition law World Yearbook of Education 2020

Julie Allan, Valerie Harwood, Clara Rübner Jørgensen, 2019-09-30 A timely contribution to the debate on educational governance and equality the World Yearbook of Education 2020 documents the significant changes that have occurred in the last 20 years reflecting a widespread shift from government to governance Considering school context as well as specific school responses around the emergence of particular forms of governance this book presents and contextualises a clear historical account of governance and accountability within schooling Organised into three sections covering Changing contexts of school governance stakeholders and responsabilisation and radical governance carefully chosen contributors provide global insights from around the world They consider educational outcomes and closing the inequality gap and they document radical forms of governance at local level which have sought to create more equitable governance intelligent accountability and greater involvement of key stakeholders such as students Providing a series of provocations and reminders of the possibilities that remain open to us the World Yearbook of Education 2020 will be of interest to academics professionals and policymakers in education and school governance and any scholars who engage in historical studies of education and debates about educational governance and equality The Compact Edition of the Oxford English Dictionary
