W. Shipton

Seventh Day Adventist Bible Commentary Set Vol 8 Buy:

Apocalypse and Millennium Kenneth G. C. Newport, 2000-08-10 Apocalypse and Millennium argues that far from being a random sequence of bizarre statements millennial schemes including the setting of dates for the second coming of Christ are more often characterised by highly complex and internally consistent interpretations of scripture Such interpretations do not always result in positive outcomes As an example the work of David Koresh is examined at length Koresh styled by some the Wacko from Waco clearly had views which some would find odd However his interpretation of scripture did not lack system or context and to see him in that light is to begin to understand why his message had appeal particularly to those of the Seventh day Adventist tradition The final three chapters in this book outline Koresh s thinking on end time events and trace the line of his interpretative tradition from nineteenth century Millerism through Seventh day Adventism and Davidianism which began in 1929 BOOK JACKET Review and Herald ,1966 *The Seventh-Day Adventist Bible Commentary* Francis David Nichol,1953 **Adventist Review** ,2000 *The Thunder of a Mighty Voice!* Bruce Seltzer,2016-07-21 The book examines three world wide religions claiming to be the one true religion He uses the self identity of these groups and compares their claims to the record of history and the scriptures In the process the reader will be inspired to renewed trust in the Bible and a clearer picture of the Father and his only Son Bible prophecy is fundamental to a revived interest and belief in Christ and his word One early reader described it as A life changing experience *Getting it Right* General Conference of Seventh-Day Adventists, Youth Dept Staff,General Conference of Seventh-Day Adventists. Youth Department,2005 Worldviews and Christian Education W. Shipton,2013-08-14 Christs instruction to his disciples was to witness to others about his plan of salvation This may be relatively easy when it involves our contemporaries and peers But when we are working with people from a different cultural background or belief system it can be difficult or seemingly impossible In *Worldviews and Christian Education* editors W A Shipton E Coetzee and R Takeuchi have brought together works by experts in cross cultural religious education The authors and editors have a wealth of personal experience in presenting the gospel to individuals with various worldviews that differ greatly from those held by Christians who take the Bible as authoritative They focus on the beliefs and issues associated with witnessing to seekers for truth coming from backgrounds as diverse as animism Buddhism Confucianism Hinduism Islam Marxism Taoism and postmodernism The emphasis is on educational settings but the sensitivities highlighted and lessons learned are applicable to situations outside this area Leaders pastors teachers and laypersons will find valuable conceptual models practical ideas and bibliographic references presented here *Worldviews and Christian Education* challenges all readers to be faithful to the biblical worldview and to approach everyone with sensitivity so that like the apostle Paul they may reach some *Fortress Commentary on the Bible set* Gale A. Yee,Cynthia Briggs Kittredge,David A. Sanchez,Hugh R. Page Jr.,Margaret Aymer,Matthew J. M. Coomber,2015-06-02 The *Fortress Commentary on the Bible* The Old Testament and Apocrypha and *Fortress Commentary on*

the Bible The New Testament present a balanced synthesis of current scholarship on the Bible enabling readers to interpret scripture for a complex and pluralistic world Introductory articles in each volume discuss the dramatic challenges that have shaped contemporary interpretation of the Bible Commentary articles set each book of the Old and New Testaments and the Apocrypha in its historical and cultural context discuss the themes in each book that have proven most important for the Christian interpretive tradition and introduce the most pressing questions facing the responsible use of the Bible today The writers are renowned authorities in the historical interpretation of the Old and New Testaments sensitive to theological and cultural issues arising in our encounter with the text richly diverse in social locations and vantage points representing a broad array of theological commitment Protestants Catholics Jews and others and alive to the ethical consequences of interpretation today A team of six scholar editors and seventy contributors provides clear and concise commentary on key sense units in each book of the Old Testament Apocrypha and New Testament Each unit is explored through the lenses of three levels of commentary based on these critical questions The result is a commentary that is comprehensive and useful for gaining insights on the texts for preaching teaching and research In addition to the commentary essays on each book the volumes also contain major essays that introduce each section of Scripture and explore critical questions as well as up to date and comprehensive bibliographies for each book and essay
