

SEX VERSUS SURVIVAL

The story of Sabina Spielrein

Her life, her ideas, her genius

John Launer

Sex Versus Survival The Life And Ideas Of Sabina Spielrein

Carol Siegel

Sex Versus Survival The Life And Ideas Of Sabina Spielrein:

Sex vs. Survival John Launer, 2019-05-15 An impressively researched documented and readable biography of a woman who played a key role in the history of psychology Library Journal starred review Who was Sabina Spielrein She is probably best known for her notorious affair with Carl Jung which was dramatized in the film *A Dangerous Method* starring Keira Knightley Yet her life story is much more compelling than just one famous relationship Spielrein overcame family and psychological abuse to become a profoundly original thinker in her own right *Sex vs Survival* is the first biography to put her life and ideas at the center of the story and examine Spielrein's key role in the development of psychoanalysis Drawing on fresh research into Spielrein's diaries papers and correspondence John Launer shows how Spielrein's overlooked ideas rejected by Freud and Jung but substantially vindicated by later developments in psychology and evolutionary biology may represent the last and most important stage in the rediscovery of an extraordinary life An invaluable resource for understanding Spielrein's significance her progressive thinking and her groundbreaking contributions to the history of psychoanalysis Publishers Weekly By the end of Launer's account there's no mistaking what the founding fathers of analysis did to this particular founding mother and probably to many other women At least this biography offers Spielrein some retrospective justice Jewish Book World **Sex Versus Survival** John Launer, 2011 *Sex Versus Survival* John

Launer, 2015-02-10 The first full and accessible account of one of the most significant and overlooked figures in the field of sexual psychology **Sabina Spielrein and the Beginnings of Psychoanalysis** Pamela Cooper-White, Felicity Brock Kelcourse, 2019-01-25 Sabina Spielrein stands as both an important and tragic figure misunderstood or underestimated by her fellow analysts including Jung and Freud and often erased in the annals of psychoanalytic history Her story has not only been largely forgotten but actively though unconsciously repressed as the figure who represented a trauma buried in the early history of psychoanalysis *Sabina Spielrein and the Beginnings of Psychoanalysis* joins the growing field of scholarship on Spielrein's distinctive and significant theoretical innovations at the foundations of psychoanalysis and serves as a new English language source of some of Spielrein's key works The book includes Four chapters by Felicity Brock Kelcourse Pamela Cooper White Klara Naszkowska and Adrienne Harris spanning Spielrein's life and exploring her works in depth with new insights about her influence not only on Jung and Freud but also Piaget in Geneva and Vygotsky and Luria in Moscow A timeline providing readers with important historical context including Spielrein Freud Jung other theorists and historical events in Europe 1850 1950 Twelve new translations of works by Spielrein ten of which are the first ever translations into English from the original French German or Russian Spielrein's life and works are currently undergoing a serious and necessary critical reclamation as the fascinating chapters in this book attest Sabina Spielrein and the Beginnings of Psychoanalysis will be of great significance to all psychoanalysts psychoanalytic psychotherapists analytical psychologists and scholars of psychoanalysis interested in Spielrein and the early development of the field Early Women Psychoanalysts

Klara Naszkowska,2024-02-29 Each life story is unique yet each also entwines with other stories sharing recurring themes linked to issues of gender Jewishness women s education politics and migration The book s first section discusses relatively known analysts such as Sabina Spielrein Lou Andreas Salom and Beata Rank remembered largely as someone s wife lover or muse and the second part sheds light on women such as Margarethe Hilferding Tatiana Rosenthal and Erzs bet Farkas who took strong political stances In the third section the biographies of lesser known analysts like Ludwika Karpi ska Woyczy ska Nic Waal Barbara Low and Vilma Kov cs are discussed in the context of their importance for the early Freudian movement and in the final section the lives of Eugenia Sokolnicka Sophie Morgenstern Alberta Szalita and Olga Wermer are examined in relation to migration and exile trauma loss and memory With a clear focus upon the continued importance of these women for psychoanalytic theory and practice as well as discussion that engages with pertinent issues such as gendered discrimination inhumane immigration laws and antisemitism this book is an important reading for students scholars and practitioners of psychoanalysis as well as those involved in gender and women s studies and Jewish and Holocaust studies

Sabina Spielrein Angela M. Sells,2017-07-25 Explores the life and work of psychoanalyst Sabina Spielrein through a feminist and mytho poetic lens Long stigmatized as Carl Jung s hysterical mistress Sabina Spielrein 1885 1942 was in fact a key figure in the history of psychoanalytic thought Born into a Russian Jewish family she was institutionalized at nineteen in Zurich and became Jung s patient Spielrein went on to earn a doctorate in psychiatry practiced for over thirty years and published numerous papers until her untimely death in the Holocaust She developed innovative theories of female sexuality child development mythic archetypes in the human unconscious and the death instinct In Sabina Spielrein Angela M Sells examines Spielrein s life and work from a feminist and mytho poetic perspective Drawing on newly translated diaries papers and correspondence with Jung and Sigmund Freud Sells challenges the suppression of Spielrein s ideas and shows her to be a significant thinker in her own right This book is a major perhaps a definitive contribution to the literature Angela Sells documents both the demonization of a great psychoanalytic theorist mainly because she was a woman and worse still was once Carl Jung s patient The book s greatest strength is its power to enlighten and inform and in so doing to arouse indignation and amazement at Spielrein s brilliance and tenacity Phyllis Chesler author of Women and Madness This is a pathbreaking piece of research that not only begins to rehabilitate the reputation of a woman patient of Jung s but also suggests that Spielrein was an important contributor in her own right to the beginnings of psychoanalysis Carol P Christ coauthor of Goddess and God in the World Conversations in Embodied Theology **Gone Feral** Casey Jean

O'Reilly-Conlin,Andrea O'Reilly,2025-03-01 **Gone Feral** Unruly Women and the Undoing of Normative Femininity is an edited collection that probes the concept of ferality as it relates to and intersects with traditional patriarchal dictates of normative femininity The collection appropriately is a creative hodge podge of feral representations and enactments that span multiple disciplines and social and existential dimensions and utilizes textual and intertextual analysis creative non fiction feminist

theory critical animal studies literature media analysis poetry and artwork to explore the complex and contradictory nature of ferality as it exists within outside and on the margins of patriarchal culture Ultimately the collection seeks to understand and showcase how the concept of ferality may be understood as an inevitable consequence of and potential resistance to patriarchal culture and the dictates of normative femininity that have long snared feminine potential caged feminine spirits and neutered feminine authenticity

The New Leviathans John Gray,2023-11-07 A bold provocative reckoning with our current political delusions and dysfunctions Ever since its publication in 1651 Thomas Hobbes s Leviathan has unsettled and challenged how we understand the world Condemned and vilified by each new generation his cold political vision continues to see through any number of human political and ethical vanities In his wonderfully stimulating book The New Leviathans John Gray allows us to understand the world of the 2020s with all its contradictions moral horrors and disappointments The collapse of the USSR ushered in an era of near apoplectic triumphalism in the West a genuine belief that a rational liberal well managed future now awaited humankind and that tyranny nationalism and unreason lay in the past Since then so many terrible events have occurred and so many poisonous ideas have flourished and yet our liberal certainties treat them as aberrations that will somehow dissolve Hobbes would not be so confident Filled with fascinating and challenging observations The New Leviathans is a powerful meditation on historical and current folly As a species we always seem to be struggling to face the reality of base and delusive human instincts Might a more self aware realistic and disabused ethics help us

A History of Women in Psychology and Neuroscience Dale DeBakcsy,2024-09-30 Since virtually its first moments as an academic science women have played a major role in the development of psychology gaining from the outset research opportunities and academic positions that had been denied them for centuries in other branches of scientific investigation Look wherever you will in any branch of psychology or neuroscience in the last century and a half and what you will find are a plethora of women whose discoveries fundamentally changed how we view the brain and its role in the formation of our perceptions and behaviors A History of Women in Psychology and Neuroscience tells the story of 267 women whose work opened new doors in humanity s ongoing attempt to learn about its own nature from Christine Ladd Franklin s late 19th century studies of how the brain perceives color to Virginia Johnson s pioneering studies of the human sexual response and Augusta Dejerine Klumpke s early association of neurological conditions with their underlying brain regions to May Britt Moser s Nobel winning discovery a century later of the grid cells that allow us to mentally model our surroundings Here are the stories of when and how we learned how memories are formed what role an enriched environment plays in mental development why some individuals are better able to cope with chronic stress than others how societal stereotypes unconsciously feed into our daily interactions with other people what role evolution might have played in the formation of our social habits what light the practices of sign language might shed on our brain s basic capacity for language how children internalize the violence they experience from others and hundreds of other tales of the women who dug deep into the

structures of the human mind to uncover layer by layer the answers to millennia old questions of what humans are and why they behave as they do Jews in Contemporary Visual Entertainment Carol Siegel, 2022-05-03 What are the consequences of how Jews are depicted in movies and television series Drawing on a host of movies and television series from the 1970s to present day Jews in Contemporary Visual Entertainment explores how the media sexualize and racialize American Jews Race and sexuality frequently intersect in the depiction of Jewish characters in such shows as The Marvelous Mrs Maisel UnREAL The Expanse and Breaking Bad and in films such as Hester Street Once Upon a Time in America Casino Radio Days Inglourious Basterds and Barton Fink When they do American sexual norms are invariably challenged or outright broken by these anti Semitic representations of Jewishness Insightful and provocative Jews in Contemporary Visual Entertainment disturbingly reveals the far reaching influence of popular visual media in shaping how American Jews are perceived today

FAQs About Sex Versus Survival The Life And Ideas Of Sabina Spielrein Books

What is a Sex Versus Survival The Life And Ideas Of Sabina Spielrein PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sex Versus Survival The Life And Ideas Of Sabina Spielrein PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sex Versus Survival The Life And Ideas Of Sabina Spielrein PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sex Versus Survival The Life And Ideas Of Sabina Spielrein PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sex Versus Survival The Life And Ideas Of Sabina Spielrein PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
