"Youth Engagement to Foster Global Citizenship, Sustainable Development Initiatives and Peace Building in The Gambia"

- Honorable Representative of the Ministry of Youth and Sport,
- Head of Office of UNFPA,
- Representatives of UNESCO National Commission,
- Teachers and trainers,
- Dear Colleagues,
- Students

It is indeed a great pleasure for me today to address you on the occasion of the opening ceremony of the meeting on Youth Engagement to Foster Global Citizenship, Sustainable Development Initiatives and Peace Building in The Gambia.

Let me start by reminding the preamble of the UNESCO constitution, which declares that: *"Since wars begin in the minds of men, it is in the minds of men that the defenses of peace must be constructed"*.

As you know UNESCO's mission is: *"to contribute to peace and security by promoting collaboration among nations through education, science and culture in order to further universal respect for justice, for the rule of law and for the human rights and fundamental freedoms which are affirmed for the peoples of the world, without distinction of race, sex, language or religion"*.

Ladies and Gentlemen, Dear Youth,

Peace is not given, as if by magic! Peace is a gift of mankind to each other. It is those who give peace that have peace. Peace is a two-way street. To receive peace, you have to give peace.
