Shared Entrepreneurship F. Shipper, 2014-08-13 Today s views of leadership and management have significantly expanded to incorporate a variety of elements such as rewards visions and worker participation However most perspectives still view leadership as something that is assigned to a designated person who then exercises influence

downward toward subordinate followers In many ways the persistent top down command and control theme that supports established leadership thought and practice prevents organizations from fully tapping into their human resources in turn limiting their flexibility to meet the challenges of increasingly dynamic complex and competitive environments Shared Entrepreneurship replaces the top down approaches of the past with a new framework that draws strengths and innovation from collaboration and sharing This book is divided into two main sections The first section consists of six chapters which provide an in depth overview and discussion of shared entrepreneurship The second section consists of eight original case studies commissioned by the authors featuring such companies as Herman Miller Inc SRC Holdings and W L Gore Associates

contributing to an unhealthy workplace by building on the advances in positive psychology and organizational scholarship over the last 15 years **Teaching by Heart** Thomas J. DeLong, 2020-01-14 The best teachers are leaders and the best leaders are teachers Teaching by Heart summarizes the author's key insights gained from more than forty years of teaching and managing It illustrates how teachers can both lift people up and let them down It proposes that the best teachers are also leaders and the best leaders are also teachers In examining how to lead and teach renowned Harvard Business School professor Thomas J DeLong takes the reader inside his own head and heart He notes that as teachers we often focus more on our inadequacies and missteps than on our strengths and unique talents He explains why this is so by dissecting and analyzing his own experiences using himself as a case study The book's goal is to help readers learn about the intricacies of teaching and managing and to impart lessons about how teachers can create a unique teaching atmosphere To do this the author analyzes the process of creating a curriculum preparing for an eighty minute class managing the fifteen minutes before class begins and evaluating the nature of the teaching experience after the session concludes Along the way he connects specific classroom behaviors with leadership issues in organizations in teams and in personal relationships He also asks and answers some provocative questions such as What happens on multiple levels when I teach or lead with me students or professionals What am I thinking and feeling as I process what students are thinking and feeling How are my internal conversations affecting how I teach and lead How do I manage my biases including having favorite students To what extent can I use teaching methods in the arena of management Throughout Teaching by Heart DeLong discusses why empathy and authenticity matter When teachers embrace this mindset students have the opportunity to have a unique learning experience Teachers and managers will learn how to create moments of transformation for students Whether you're a university professor a student a business leader or just someone fascinated by teaching this book will instruct entertain and hopefully inspire **PROPEL to Quality Healthcare** Thomas M Muha, Martha Murphy, 2017-07-28 You got into healthcare because you wanted to help people but quickly discovered providing high quality care is challenging Seemingly impossible demands are placed on you and your team Some coworkers are constantly complaining others are in their silos doing only what they must to get through the long days Collaboration is often lacking and patients suffer the painful consequences It's easy to become overloaded with work and overwhelmed with negativity This is not how the healthcare profession has to be There is a new science Positive Psychology that studies how people are able to perform extraordinarily well in challenging situations After a dozen years of research in prestigious medical centers an evidence based method for applying this science has been developed That six step program is PROPEL You will read stories illustrating the experiences of doctors nurses and administrators who learned to use PROPEL to transform their professional life and for many their personal life as well You will learn how they were able to attain remarkable results with their teams units and clinics Staff callout and FMLA decreased 75% Wait times for chemotherapy infusion reduced 6 hours Staff turnover dropped 80% Pediatric MRI scheduling

driven down from 14 weeks to 10 days Bone marrow transplant procedures increased by 50% ED diversion due to psychiatric patient boarding virtually eliminated Patient fall rate cut by 70% Use of agency and travelers nurses abolished Patient satisfaction scores up 50% The cumulative impact to the bottom line has been calculated to be millions of dollars The most meaningful measure of PROPEL s success however comes from the thousands of dedicated professionals who have expressed heartfelt gratitude for having learned how to recapture their joy for working in healthcare

The Basecamp Manifesto

Terence C. Young, 2024-10-23 It is often said that it is lonely at the top But this loneliness can be dangerous not only to the leader but also to the led It turns out we hold our environments as we are held If we are not held in a caring and daring fashion it shows up in how we live and lead The Basecamp Manifesto is a formative work on developing and sustaining leadership skills Here Terence Young outlines the development of a changed narrative around leading organizations Rather than the often stereotyped perception of leadership as a solitary ascent to the top followed often by an equally solitary descent down the leadership peak Young has created a framework for leadership that relies on developing a basecamp of companions Like the familiar basecamps of extraordinary physical ascents of Mount Everest and other spectacular and spectacularly challenging peaks a leader s basecamp is a secure base of trusted and trusting peers that shape and nurture you during the ascent to leadership Young presents the gifts that current and future leaders should find in a secure base greater clarity in the sense making process enhancement of agility in navigating dynamic situations building endurance to face challenges and fostering generativity for greater productivity and innovation in one s life quest The Basecamp Manifesto is written for leaders of all organizations whether for profit or nonprofit Whether a business leader an educational leader a political leader a religious leader or other society facing leader all leaders face particular and specific challenges in leadership How do I lead and navigate with those in my circle through a world of increasing volatility uncertainty complexity and ambiguity For the sake of those you lead Young s groundbreaking work says to leaders find your people find your secure base find and shape and nurture the circle of trust that can make you a quality leader The Basecamp Manifesto can help you to become intentional about shaping relationships where clarity agility durability and generativity can be found and fostered
