Master Plus 1000000

PDF

ABSOLUTE PROTECTION

Master Plus is an active fault-current limiter (FCL) with 100% IEC 60826 compliance with 100% IEC 60826-2 with a maximum faulted current. Master Plus has a compact and protected high speed output to provide the ultimate power protection for "critical critical" applications: data processing, telecommunications, industrial processes, security and other critical systems.

BATTERY SUPPORT

Master Plus technology removes the problems of over-voltage equipment power losses, while improving fuel power factors and overall efficiency.

The FCL follows the latest input current disturbance techniques:

including progressive voltage limiting and the option to reduce battery charging current.

These features make Master Plus one of the most generator compatible and environmentally friendly (FCL) available.
