Goldstein B.S.C., B.S.W., RSW, 2012-01-09 Searching for a Retirement or Long term care home can be a daunting task Often one is plagued with questions or has to make a decision quickly and doesn't know where to begin This is a GUIDE that every senior or their family going through this process MUST have Written by an experienced hospital social worker it truly makes the process much easier It explains the different options available gives you 160 questions to ask when you tour homes has contact information on resources and services for seniors and provides detailed information on hundreds of retirement homes and long term care residences This is THE most COMPREHENSIVE source of information you will find on retirement living in Canada A must have for anyone searching for retirement living for themselves or a loved one

Reality Squared James Friedman, 2002 Reality based television has come to play a major role in both production decisions and network strategy This text examines the representation of reality within the televisual viewing frame as well as the exponential growth of these programmes **Same Time, Same Station** James L. Baughman, 2007-03-26 Outstanding Academic Title for 2007 Choice Magazine Ever wonder how American television came to be the much derided advertising heavy home to reality programming formulaic situation comedies hapless men and buxom scantily clad women Could it have been something different focusing instead on culture theater and performing arts In Same Time Same Station historian James L Baughman takes readers behind the scenes of early broadcasting examining corporate machinations that determined the future of television Split into two camps those who thought TV could meet and possibly raise the expectations of wealthier better educated post war consumers and those who believed success meant mimicking the products of movie houses and radio decision makers fought a battle of ideas that peaked in the 1950s just as TV became a central facet of daily life for most Americans Baughman's engagingly written account of the brief but contentious debate shows how the inner workings and outward actions of the major networks advertisers producers writers and entertainers ultimately made TV the primary forum for entertainment and information The tale of television's founding years reveals a series of decisions that favored commercial success over cultural aspiration **Defining Moments in Journalism** Nancy J. Woodhull, Robert W. Snyder, Most great transformations are not apparent as we live through them Only in hindsight do individual moments acquire layers of meaning that give them great significance Looking back is not something that comes naturally to journalists

immersed as they are in breaking events and relentless deadlines But there is still good reason for journalists scholars and people who care about journalism to think about the critical episodes in its recent evolution In *Defining Moments in Journalism* such authors vividly describe episodes of this kind Some of the chapters and contributors include *The Lessons of Little Rock* by Harry S Ashmore *Vietnam and War Reporting* by Peter Arnett *Photo journalists Visionaries Who Have Changed Our Vision* by Jane M Rosett *The Weight of Watergate* by Ellen Hume *Women Sportswriters Business as Usual* by Mary Schmitt *The Connie Chung Phenomenon* by Somini Sengupta and *Covering Politics Is There a Female Difference* by Judy Woodruff The years since the Great Depression and World War II have seen vast changes in America and also in its journalism Journalists relationship to power and authority is more complex the press corps has become more diverse the technology of news reporting is almost unrecognizably different from that of fifty years ago and economic reorganization of the media has bundled news and entertainment organizations into conglomerates of extraordinary size *Defining Moments in Journalism* is a fascinating read for communications scholars and professionals historians and political scientists **One**

High Wire Act Caroline Van Hasselt,2010-03-17 There has possibly never been a more daring business

figure in Canada's history than Ted Rogers. Hailed by some as a visionary with an incomparable insight and equally loathed by others as a ruthless opportunist, Ted Rogers relentlessly conquered his rivals in three industries: radio, cable television, and cellular telephony. *High Wire Act* is an unprecedented in-depth analysis into how Ted Rogers, driven by the psychological need to restore his family's name, leveraged his stake in a small Toronto FM radio station and propelled it into a media and telecommunications behemoth worth over 23 billion. The many topics covered in the book include details on Rogers' unmatched ability to foresee the convergence of cable and telephony before anyone else did; his insatiable appetite for debt and risk-taking; and how he bet his company three times to carry out his vision. Shrewd political and regulatory maneuvers that always kept him one step ahead of his competitors and political adversaries such as Bell and the Aspers. Opportunistic acquisition of the Toronto Blue Jays. *High Wire Act* is a fascinating and one-of-a-kind look into one of Canada's most audacious and visionary business figures of the past fifty years. Every Canadian business reader will be enthralled by this enduring success story of Canada's only true telecommunications mogul. *Plunkett's Entertainment & Media Industry Almanac* Jack W. Plunkett, 2009-01-22. Offers profiles on many of the firms in film, radio, television, cable, media, and publishing of various types, including books, magazines, and newspapers. This book contains many contacts for business and industry leaders, industry associations, Internet sites, and other resources. It provides profiles of nearly 400 of the top entertainment and media firms.
