High Expectations Thom S. Rainer, 1999-02-15 For over a quarter of a century the problem of losing church members has progressively increased Today the situation is so bad that less than one third of the members in some churches attend worship services Church leaders are crying for help In an effort to help church leaders the Billy Graham School of the Southern Baptist Theological Seminary conducted a massive research project involving nearly 287 churches The most revealing aspect of the study was that the higher expectations placed on members the greater the

likelihood that the members would stay and be involved with the church Using the data gathered from this project Thom Rainer presents the first ever comprehensive study about closing the back door Rainer looks at why people are leaving the church and how church leaders can keep the members Guide to Microforms in Print ,2001 The Church Member Jared C. Wellman,2012-11-12 The Church Member is written as a handbook It is a collection of exegetical studies on strategic passages that cover the biblical expectations for those who profess Jesus Christ It provides sound interpretation to some of the most controversial issues in the church today such as baptism the Lord s Supper worship through music and church leadership While it is written from a Southern Baptist perspective this book is the result of experiences from a variety of other denominations It captures what the Scriptures teach regarding membership in a church and ultimately reveal that church is more than something a believer does it is something he is If you are interested in understanding your place in the body of Christ this book is for you Excellent Protestant Congregations Paul Wilkes,2001-01-01 Profiles eight dynamic and diverse congregations identifying the characteristics that make each distinctive while explaining how any church can apply their ideas locally in a resource that also lists more than 300 recommended Protestant congregations Original **Southern Baptist Periodical Index** ,1979 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1973 *Dr. Hand's Mind On* Dr. Allen Hand,2022-04-15 Every once in a while I get a chance to listen to broadcasts on radio or watch networking on television And the more and more I do this the more and more I get deeply concerned with the quality of so called religious material presented on such via comments discussions lectures preachings teachings etc Every so often it is spiritually impressed upon me I get led to deal with some of the monumental misunderstandings that menaces the messianic ministry mission momentum motion motive and movement There are two strategies tactics ways to deal with this type of teaching and preaching one is defensive and one is offensive The offensive tactic strategy way to guard against it is to constantly teach and preach against it thereby exposing it for what it is and minimizing it if not eliminating it this is referred to as the sword of the Spirit which is the word of God the defensive tactic strategy way to guard against it is to block or prevent it from entering your mind by literally putting a spiritual device of some sort over your mind this is referred to as the helmet of salvation The material presented in this book is just a way to help us fight defensively and offensively by first knowing what we need to fight against As a side note the state of apostasy of the professing church is the final stage of the religious order just prior to the Rapture which is phase one of two of our Christ s Second Coming I strongly admonish and request that each believer in Jesus Christ adopt the same attitude and mentality that the church of Berea adopted in the word of God especially when it comes to the word of God Church Planting in the African American Community Michael J. Cox,Joe S. Ratliff,2002 This road map for international church planting navigates case study milestones that offer successful models and highlights the dynamics that distinguish church planting in the African American community from church planting in general
