New Light From Old Stories:

New Light from Old Stories Leslie J. Hoppe, 2005 The Hebrew Scriptures far from being merely a prelude leading up to the New Testament are replete with theological values that can illumine the Christian life today The author explicates this thesis by demonstrating how these values are underscored in Old Testament stories He groups the representative samples of these stories in six chapters Beginning Moses and the Exodus Brothers Heroes Kings and Prophets Each chapter shows how these old stories shed light on the values concerns challenges and ideals of Christians today Parish Bible studies college and seminary courses on Old Testament and on preaching and anyone who wishes to learn more about how Scripture can enrich their lives will benefit from this book **BOOK JACKET** *Applying Old Stories to New Lives* Tina Durham, 2011-03-25 This book is based on my prayerful meditations on what the old stories must mean to us in the everyday present world In our time we have historians and scientist all running around attempting to demonstrate whether the stories are true or if they could even be accurate The religious leaders always state that we use our faith with these stories in these times of faith questioning and proving not be a doubting Thomas in these times We do not have to see the scars or the proof we believe because of the unseen The intent of this book is not to change the real meanings in the Bible but to make us think about the simple parts Relying on the old trait of finding meaning and symbolism in literature I have examined these stories As you read the stories in scripture and the version of interpretation that I have found ask yourself what is God saying to you Scripture is the love letter from a friend God He speaks to each of us differently and with different directions these may not trigger the same thoughts in your understanding but if they bring cause for you to examine the word then I have been successful As you begin to read this book be prepared to ask yourself questions Be prepared to listen to what God is telling you So often we read a story and that is the story we never revisit it But the Bible is not like a regular book it can be read over and over each time revealing something more intriguing than the last The layout of this book is to first consider who we are what our role is in this vast community of people Then I move through a section imaging how we interact and learn to live in Gods love and grace Finally I discuss some of our daily activities such as work school home ownership and voting **British Murder Mysteries: 350+ Detective Novels & True Crime Stories in One Volume** Arthur Conan Doyle, Edgar Wallace, Wilkie Collins, R.
