New Testament Commentary - 3 - Matthew Cliff Taylor, 2014-10-17 My Bible Walkthrough series aimed at seeing that the reader would get to understand the basic meaning of the Bible text This series is for those who want to dig a little deeper and to see what the Bible has to say to them We complete the coverage of the synoptic gospels with Matthew **Israel, the Church, and the Middle East** Darrell L. Bock, Mitch Glaser, 2018-04-24 The relationship between the church and Israel has been the source of passionate debate among Christians throughout much of church history In recent years the traditional pro Israel stance of evangelicals has come under fire by those who support the Palestinian cause calling for a new perspective and more nuanced approach by Christians who believe that the land of Israel belongs to the Jewish people by virtue of God's covenants and promises Israel the Church and the Middle East challenges the supersessionist drift of the modern church

showing that God retains a plan and purpose for the Jewish people while also addressing a number of the divisive issues raised by authors critical both of Israel and of those who affirm Israel's right to the land. The book explores the hermeneutics and wider effects of the conflict such as the growing antipathy within the church toward the evangelization of the Jewish people. It provides readers with an objective and interdisciplinary treatment which is irenic and respectful in tone. The book is directed toward pastors, global Christian leaders, theological students and well-read lay Christians who are actively seeking guidance and resources regarding the Middle East conflict. The contributors represent a broad evangelical spectrum.

Evidence for the Rapture John Hart, 2015-07-24. Is the rapture still going to happen? And if so, when? With contributing scholars from schools like Moody Bible Institute, Dallas Theological Seminary and The Master's Theological Seminary, *Evidence for the Rapture* is a convincing and thoroughly biblical case for the rapture. This collection of exegetical essays looks at the rapture from a number of biblical angles: the words of Jesus in the Gospels, Paul's teachings in the epistles and even prophetic and apocalyptic literature. In sound exegetical technique, the authors corroborate Scripture's main teachings on the end times to provide a trustworthy and concise treatment of a multifaceted issue. For the last several hundred years, the doctrine of a pretribulation rapture has been a fixture in many churches and institutions. *Evidence for the Rapture* is a fresh polish upon this long-standing doctrine.

Finding List of Books in the Public Library of Cincinnati Public Library of Cincinnati and Hamilton County, 1884. *A Bible Handbook on Slander and Gossip* Robert A. Morey, 2009-11. This book is essential reading for all in Christian leadership today. Slander and gossip are condemned in Scripture more than any other sins. Dr. Morey has written the definitive biblical study of these two sins. This book is essential reading for all in Christian leadership today. Slanderers and gossip-mongers use the internet to rape the Bride of Christ and to drag the name of Jesus through the mud. May God use this powerful book to rebuke these evil doers. Bishop Colin P. Akridge. Dr. Morey's handbook is full of practical and valuable counsel on recognizing and responding or not responding to slander. For instance, 21 signs of how to recognize a gossip-monger. Last but not least, what makes this little book especially valuable are all the contemporary illustrations of gossip and slander along with the application of biblical principles to them. These illustrations are drawn from Dr. Morey's long ministry and vast experience as a pastor and as a counselor of pastors, *pastorum*, and their parishioners. Dr. George P. Hutchinson. Th. M. D. Phil. Dr. Robert A. Morey. M. A. D. Min. Ph. D. D. D. is the Executive Director of Faith Defenders, P.O. Box 240, Millerstown, PA 17062. He has written over forty-five books and was founder and President of CA Biblical University and Seminary.

[Luke: Jesus Christ, Savior for the Nations](#) Practical Christianity Foundation, 2020-08-08. Jesus Christ is a light that will reveal salvation to the nations. So wrote Luke, the only Gentile writer found in the New Testament.

Scriptures Luke saw in Jesus Christ the fulfillment of Isaiah's prophecy Arise Shine Your light has come and the glory of the Lord has dawned Nations will come to your light and kings to the brightness of your dawn In clearly described themes Luke takes his readers on a journey of discovery finding in Jesus Christ not only the light for Israel but for people of all nations of the world The book you hold in your hands is no dry seminary text nor is it a feel good self help devotional There is a wealth of information here presented in a clear and accessible writing style that makes this commentary a great read for new believers and seasoned theologians alike Luke's Gospel is examined not in a vacuum but in the context of the totality of Scripture where frequent references to supporting verses serve as road signs assuring the reader that he is on the right road This commentary informs and delights Reading Matthew as the Climactic Fulfillment of the Hebrew Story Martin Spadaro, 2015-09-09 This book is a reading of Matthew's Gospel as though it were written to integrate with and conclude the existing body of Scriptures Matthew is read as though John was the last prophet of God and Israel's last chance for repentance and that Jesus was YHWH who had come to judge the Temple priesthood and covenant nation according to the terms of the covenant God made with Moses at Sinai Through this lens new interpretations are given to the infancy narrative the Sermon on the Mount the mission the parables and Jesus' arrival in Jerusalem along with the events that followed By reading Matthew this way a greater appreciation can be gained for its necessary place in the canon and many of Matthew's well known conundrums can be meaningfully addressed As a Hebrew document Matthew understood the necessity to record the crimes against YHWH Jesus in Israel and Jerusalem as the ultimate cause for the termination of the ethnically and geographically bound covenant which could then be replaced by the cross cultural and international covenant that Christians now enjoy **Books for New Testament Study** Clyde Weber Votaw, 1905 Defying Deception Jonathan K. Corrado, 2024-02-29 Comprehensive training and well established tactics are the trademark qualities of a solid and robust military training program designed to win wars As a result well trained soldiers can think and act soundly while engaged in warfare Like soldiers Christians must similarly train to become prepared to make biblically sound choices while engaged in spiritual warfare specifically deception Deception as clearly conveyed in the Bible is Satan's weapon of choice therefore if understood properly can be thwarted effectively Defying Deception A Field Guide to Understanding and Countering Satan's Strategy of Deception is a book for those who want to raise their awareness of the enemy's strategies and to mature their spiritual walk by offsetting the enemy's deceptive methods with practical means That said this field guide establishes a parallel between Satan's deceptive tactics and military Psychological Operations PSYOP operations to convey false information to influence emotions motives and reasoning because both seek to lead people into falsehood to influence decision making in a destructive way This field guide discusses Satan's deceptive strategy within the context of PSYOP Armed with this information practical defensive strategies are developed using well established effective military tactics to assist readers in overcoming spiritual deception **Integrating Theology, Church, and Ministry in a Chinese**

Seminary Peter L. H. Tie, Kevin S. Chen, 2024-10-21 A perennial challenge for theological education is the integration of what is learned in the classroom with students church life and ministry Is there a connection How can greater connection be fostered Many seminaries earnestly wrestle with these questions Whereas some of the underlying issues are common to all seminaries others are influenced by the cultural context in which theological education church life and ministry take place In addition to cultural factors the history of the church and of theological education are different in each context The integration of theology church and ministry is crucial to the effectiveness of a Chinese seminary The great need for theological education for Chinese Christian leaders has rightly been sounded and should continue to be but simultaneously seminaries must think seriously about how to promote quality theological education Beginning with a programmatic article by Dr David Dockery a leading proponent for effective integration this book represents the efforts and reflection of experienced scholar practitioners who work out a vision for integration in the context of a diaspora Chinese seminary in San Jose California

Dirt and Stardust Jeremy Duncan, 2021-11-30 Are you ready to give Jesus a second look Many of us have absorbed an image of Jesus from the culture around us Once that sinks in everything we experience watch hear or read only serves to reinforce what we think we already know about him There is so much more to the story though In this book we will take an honest look at one of the best known passages in Scripture Jesus Sermon on the Mount Some of the concepts you will explore in a new way are What it means to be poor in spirit How to be the salt of the earth Why Jesus turned the law on its head How God's judgment displays graciousness and generosity What Jesus model for prayer really tells us about our relationship with God How seeking asking and knocking impacts you and those around you What taking the narrow road means for your life If you are interested in exploring Jesus teaching read *Dirt and Stardust* and see that you are a part of what is good about both the dirt under your feet and the cosmos above your head You are invited into a story much bigger than you were perhaps first told about

The Real Royal Family James E. Schultz, 2021-03-26 God made human beings in his image and that is what makes us so valuable Yet there are vastly different ideas of what the image means and how sin affects the image and each of those ideas impacts the claim that the image grounds human value People have treated one another in either horrible or wonderful ways based on their theologies of the image This book examines the logical implications of various image doctrines in the real world Also in Genesis 1:26-27 the image of God is closely tied to the first stated purposes of human life in Genesis 1:28 Yet such practical purposes seem remote from the private spirituality of the gospel story often heard in churches To live out our part in God's creation project we need to understand the image of God within the unfolding story Scripture narrates from creation to new creation This book builds a theology of the image of God by situating it firmly in the biblical narrative harnessing the insights of biblical theology and conversing with theologians past and present to form a coherent story of God his children and his creation in this age and the age to come

Kingdom Chris Woodall, 2012-09-18 It has been said that history teaches us that history teaches us nothing However true this may be in

general terms the fact that we so frequently look to the past in an attempt to shape our future by applying its lessons in the present suggests we remain keen to learn In the context of the subject of this book though the stalwarts of the faith can serve as tremendous examples it is to the lessons of Scripture that we must turn if we are to have a better idea of what the kingdom of God is what that means for us as believers and how we can be better equipped to extend its values in today's world Thus what we understand by the term kingdom of God will not only determine whether we believe ourselves to be its citizens but also how we think we should conduct ourselves in the light of such knowledge It is the contention of this book that the biblical concept of kingdom as the expression of God's rule requires greater clarity of presentation in order to prevent it from confusion and or distortion amongst Christians

Gospel Interpretation and Christian Life Francis J Moloney, 2017-11-01 The voice of Francis J Moloney SDB has been heard in New Testament studies for many decades Internationally famous for his work on the Gospel of John this volume gathers studies that demonstrate the breadth and richness of his interests beyond that well established enterprise The first part of the book is dedicated to Gospel studies with the majority of essays focussing upon the Gospel of Mark They reflect his long interest and his major commentary on that Gospel 2012 Studies on Matthew Luke and John complete these reflections

A Popular Survey of the New Testament Norman L. Geisler, 2014-09-09 Understanding the New Testament is a daunting but exciting task Our world is so different from that of the first century Yet it is important to understand the context and content of the New Testament if we are to be faithful followers Now in paperback this survey addresses the who what where when why and how questions that readers of the Bible may have such as How can we tell if what is written in the New Testament is true history or just mythology When were these books written and why and What can today's believers get out of letters addressed to people who lived two millennia ago Written in an easy informal style this survey is accessible and enjoyable to anyone who wants to better understand the New Testament

New Testament Foundations Ralph P. Martin, Carl N. Toney, 2018-09-12 Drawing upon over fifty years of scholarly experience of one of the most industrious contemporary scholars this work which was first published in 1975 has been revised updated and expanded to offer a fresh in depth introduction to the New Testament for today's students Students will be immersed into the world of the first century learning about both Greco Roman and Jewish backgrounds While discussing the fundamental questions surrounding the content of each book including its authorship audience and message this work also engages with the wider historical critical discussion helping students navigate the wider world of modern New Testament scholarship
