featured in three respected New York newspapers during the 1890s the story of two antebellum hoaxes Nellie Bly's around the world journey Lizzie Borden's sensational trial Evangelina Cisneros's rescue from her Spanish captors and the Janet Cooke Jimmy's World scandal to illustrate how new journalism manipulated specific segments of the literary marketplace on vital topics in literary and cultural studies gender expansionism realism and professionalization Unlike previously published studies of literature and journalism which focus only on a few canonical figures Roggenkamp looks at part of the history of mass print communications more generally exposing the competitive and reinforcing interplay between specific literary genres and their journalistic revisions Narrating the News provides an original significant contribution to the fields of literature journalism history and cultural studies
