An Ecology of Communication William Homestead, 2021-04-20 An Ecology of Communication addresses an ecological and communicative dilemma the universe earth and socio cultural life world are resoundingly dialogic yet we have created modern and postmodern cultures largely governed by monologue This book is indispensable reading for scholars and students of communication ecology and social sciences as it moves readers beyond the anthropocentric bias of communication study toward a listening based model of communication an essential move for discerning fitting responses and the call to responsibility in an age of ecocrisis

The New Universe and the Human Future Nancy Ellen Abrams, Joel R. Primack, 2020-08-11 A cultural philosopher and an astrophysicist attempt to decipher how we fit into the universe and the impact our placement has on us After a four century rupture between science and the questions of value and meaning this groundbreaking book presents an explosive and potentially life altering idea if the world could agree on a shared creation story based on modern cosmology and biology a story that has just become available it would redefine our relationship with Planet Earth and benefit all of humanity now and into the distant future Written in eloquent accessible prose and illustrated in magnificent color throughout including images from innovative simulations of the evolving universe this book brings the new scientific picture of the universe to life It interprets what our human place in the cosmos may mean for us and our descendants It offers unique insights into the potential use of this newfound knowledge to find solutions to seemingly intractable global problems such as climate change and unsustainable growth And it explains why we need to think cosmically act globally if we re going to have a long term prosperous future on Earth Should be read by anyone not just scientists who worry about the human condition Deepak Chopra The Huffington Post A prophetic book Its message ranks right up there with those of Isaiah Jeremiah Ezekiel and Joel Like the prophets it is at times poetic demanding grounded soaring empowering and always awe inspiring Matthew Fox Tikkun The ideas and images are fascinating and certainly contribute to a sense of the profound stakes involved in what we re doing to the planet and ourselves William Kowinski North Coast Journal
