ARTICLE A

Swedish climate activist Greta Thunberg has accepted a ride across the Atlantic by boat to attend two key climate conferences.

The teenager will make the journey aboard the Malizia II, a high-speed 18-metre (60ft) yacht built to race around the globe.

"We'll be sailing across the Atlantic Ocean from the UK to New York in mid August," she tweeted.

Thunberg refuses to fly because of the environmental impact of air travel.

In a Facebook post, Team Malizia said they were "honoured to sail Greta Thunberg emission free across the Atlantic".

Now, the 16-year-old will be able to attend the New York conference. She will later journey by train and by bus south to the annual **Santiago Climate Change Conference in December.**

Three people have been killed and 15 injured after a gunman attacked a food festival in California.

The gunman was shot dead by police shortly after he began firing, although police are investigating reports that a second suspect may still be at large.

The Gilroy Garlic Festival was about to end for the weekend on Sunday evening, when shots were fired at the site.

Six-year-old Stephen Romero is the first of the dead to be identified. His mother and grandmother were wounded.

It was the 246th mass shooting in the US this year, according to US tracking website Gun Violence Archive.

The killer has been identified as 19-year-old Santino William Legan, according to CBS News.

Witnesses say he was wearing camouflage, and used a rifle during the attack.

The suspect entered the festival after cutting through a perimeter fence, Gilroy Chief of Police Scot Smith told reporters. He said witnesses reported that a second suspect may have been involved, possibly in a support role.
