Loose-leaf Version for Sensation and Perception Steven Yantis, 2013-02-11 *Sensation and Perception* E. Bruce Goldstein, 2002 Table 1 1 p 12 **The Logic of Perception**, 1985 **Perception Through Experience** M.D. Vernon, 2017-03-13 The term visual perception covers a very wide range of psychological functions This title originally published in 1970 which provides a broad survey of this vast field of knowledge would have proved a valuable general account for students taking degree courses in psychology at the time Professor Vernon examines a large number of experiments carried out over the previous twenty years their findings the conclusions drawn from them and

equally important the still unanswered questions which some of them raised As the title suggests Professor Vernon considers that while much knowledge of the simpler perceptual processes had been gained in laboratory experiments perhaps too little investigation had been undertaken into the more complex processes which normally determine understanding of and response to environment the processes of identification and classification that depend to a considerable extent on learning memory attention reasoning and language An extensive bibliography is provided
