Perfect Timing English Edition:

Mises: The Last Knight of Liberalism Jörg Guido Hülsmann, 2007 The Buddha Philip C. Almond, 2023-11-30 Alongside Jesus and Muhammad the Buddha is the most significant figure in the history of religion Philip Almond's engaging new book is the first to combine a history of early traditions about Siddhartha Gautama's life with an authoritative account of how he and the tantalizing philosophy inspired by him came to the attention of the West It takes the reader on a remarkable journey encompassing among other topics Alexander the Great the courts of the Mongol Khans Jesuit missions to China and Japan and intrepid European travellers and scholars from the modern era Melding Pali and Sanskrit sources with vivid reception Almond presents the Buddha's story as multi-layered one of transition from a world of angels and demons water and tree spirits to an altogether different context where Buddhism mixed with the cultural preoccupations of those who tentatively sometimes following false trails tried to make sense of its fascinating complexity *The Idea of Socialism* Axel

Honneth, 2016-12-27 The idea of socialism has given normative grounding and orientation to the outrage over capitalism for more than 150 years and yet today it seems to have lost much of its appeal Despite growing discontent many would hesitate to invoke socialism when it comes to envisioning life beyond capitalism How can we explain the rapid decline of this once powerful idea And what must we do to renew it for the twenty first century In this lucid political philosophical essay Axel Honneth argues that the idea of socialism has lost its luster because its theoretical assumptions stem from the industrial era and are no longer convincing in our contemporary post industrial societies Only if we manage to replace these assumptions with a concept of history and society that corresponds to our current experiences will we be able to restore confidence in a project whose fundamental idea remains as relevant today as it was a century ago the idea of an economy that realizes freedom in solidarity The Idea of Socialism was awarded the Bruno Kreisky Prize for the Political Book of 2015 **Decision**

Advantage Jennifer E. Sims, 2022 In Decision Advantage Jennifer E Sims examines the role of intelligence in international conflict throughout history to show that intelligence has been a measurable buildable and consequential form of power over centuries Diving deep into the history of the 16th Century's Spanish Armada two Civil War battles the hunt for President Lincoln's assassin and key diplomatic crises before the two World Wars Sims develops insights into how competitors have created and used intelligence power to their advantage including winning against otherwise stronger opponents

retired from the DEA and scrubbed all records of Michael Campbell from existence so he could safely raise his son with the help of his sister Cait. As a parting gift, the agency created a new identity for him using only his middle and last name. In exchange for the anonymity, Ian used his new job as a high school English teacher to funnel information back to his former partner on the lower level drug dealers in and around the San Diego schools. Until the day he got word that Rojo Rodriguez had escaped when the rest of the major players in his cartel were captured in a raid in South Texas. That is, with limited resources, keeping the DEA and local law enforcement from having someone in Heart's Destiny, Texas, actively looking for the cartel kingpin. Ian moved there with his family to capture the man responsible for his wife's death. Charlotte Burleson didn't know the new English teacher she had to work with was actually a friend of her brother Jake and a former undercover DEA agent. She only knew him as a one-night stand she thought she'd never see again and the most infuriating man she'd ever met. After the most intense sexual experience of her life, Charlotte woke up to an empty bed with no information on how to contact the mysterious Ian for another round. Two weeks later, he showed up at her family's late Christmas celebration and acted as if they'd never met. He continued the charade of not knowing her when he started working in the classroom next door to hers at the beginning of January. Ian wasn't sure how to deal with finding out the hot as hell one-night stand he had on the night he interviewed for his new job was with the sister of a man he'd worked with on a joint task force a few years back and considered a friend. He had to keep his cover and not let on to anyone in town that he knew Jake Burleson before moving there. Not to mention the fact that he couldn't tell his friend Jake that he'd slept with his sister. So when the owner of the bed and breakfast where he and his family were staying until their rental was available for them to move insisted on taking them to a late Christmas celebration, Ian pretended he'd never met Jake or Charlotte. When he started work and realized he was supposed to coordinate the seventh-grade lesson plans with her, Ian couldn't resist pushing her buttons to get a glimpse of the fiery passion he'd seen on their one night together. But even as hot as his time with Charlotte was, he couldn't risk getting burned if Rojo Rodriguez caught wind of his presence in town and went after her the way he had Mari. As danger loomed, the couple fought their instant attraction and growing connection, not realizing that standing together was the only way they could win in the end.
