The career history of DR Bayu Satya B Sc has taken him to a rather unpopular line of business oil spill response equipment. He managed to persuade the Government of Indonesia to realize the threats which oil and chemical spills impose on the Indonesian waters. He also motivated companies to prevent extensive disasters caused by oil and chemical spills. The oil spill business is a world full of competition and there is always the pressure to innovate. There is trickery and clashes yet there is also camaraderie in the oil spill world. DR Bayu Satya B Sc has the courage to break through limitations in the business. With ceaseless learning and determination he worked hard to develop a business from scratch into an internationally renowned company. Slickbar Indonesia is now one of the largest oil spill response equipment companies in the world with sterling reputation. DR Bayu Satya B Sc is an Indonesian who managed to promote his beloved country Indonesia as one of the most respected major players in the oil spill response equipment industry. This book is a source of powerful motivation. It teaches us to have the courage to reach our dreams with a realistic resource, a fighting and learning spirit.
