Salsa Recipe Contest:

Cookoff Amy Sutherland, 2004-05-25 Cookoff Recipe Fever in America is an anecdotal and entertaining look at the amazingly extensive subculture of cooking contests in America. Such contests range in importance from Spam contests at county fairs to the granddaddy of them all the Pillsbury Bake Off in San Francisco where the grand prize is a cool million. In between are contests local and national sponsored by agricultural groups, corporations, and neighborhoods. Competing in these contests are not only casual entrants but contestants, mostly women, for whom the recipe contest is a way of life. Journalist Amy Sutherland follows a small group of such contestants through a year on the contest circuit beginning with the National Chicken Cook off and culminating in the Pillsbury Bake Off. Along the way we'll be introduced to well known cook off luminaries as well as to some of the most bizarre cooks and the recipes concocted for their national contests. **Indiana State Fair Program** Indiana State Fair Board, 2014 The Ungarnished Truth Ellie Mathews, 2008 In a whimsical and witty memoir the author describes her odyssey into the heart of America's cooking competitions as she describes her participation in the Pillsbury Bake Off contest, her amazement when she won the million dollar prize and the fame and hype that followed.
