and packed with relevant content These have been prepared by authors with more than 10 years experience in the field The simple and well organized format of the books in this series makes studying more efficient and effective

Gun Control in the United States Gregg Lee Carter, 2017-01-23 This up to date second edition work will stimulate and clarify readers thinking on the key issues surrounding guns in the United States especially on the debate over gun control Most public debate and discussion about guns in U S society is rarely guided by research not surprising as most individuals have a personal opinion on this highly inflammatory topic based on their upbringing or personal experiences Additionally most research about gun use in America is confusing and contradictory making it difficult for citizens to gain much from their attempts to investigate the topic objectively This book offers concise understandable coverage of all aspects of the issue including incidence of gun violence gun control gun rights government regulation legislation and court decisions gun organizations for gun control and for gun rights gun enthusiast subcultures for example hunters target shooters and collectors and U S attitudes toward guns Many of the covered topics are placed in historical and cross cultural perspective The new edition of *Gun Control in the United States A Reference Handbook* enables the reader to navigate and interpret the research to become sufficiently educated on any specific aspect of the gun issue to make an informed decision for example whether to support stricter or more lenient gun control whether to become a gun owner whether to support a particular political party or candidate or whether to develop or to refine a particular philosophy regarding guns Other aspects of the contemporary gun debate that are addressed include whether the Supreme Court's ruling that the Second Amendment guarantees an individual right will withstand future challenges whether the strong gun regulations used in Europe would be effective and applicable in reducing gun violence in the United States and whether the diversity explosion created by the high rate of immigration from countries where guns are strictly controlled will soon change the politics of the U S gun control debate

The Broadview Pocket Guide to Citation and Documentation - Second Edition Maureen Okun, Nora Ruddock, 2016-08-30 Compact and convenient The Broadview Pocket Guide to Citation and Documentation includes information on MLA APA Chicago and CSE styles of citation and documentation The second edition has been fully updated to reflect the 2016 revisions to the MLA style of documentation A wide range of examples are provided throughout the book and full sample essays in both MLA and APA styles are also included The book discusses summary and paraphrase as well as direct quotation and includes an extensive treatment of how to integrate quoted material into the text of an academic paper There is coverage too of what constitutes plagiarism and how to avoid it

Writing Pre GED Series Raintree Steck-Vaughn Staff, Steck-Vaughn Company, 1994

The Craft of Argument, with Readings Joseph M. Williams, Gregory G. Colomb, Jon D'Errico, 2003 Evenly divided between practical instruction and exemplary readings this textbook thoroughly explains what arguments are why they are important how to tell good arguments from bad and how to construct and present original arguments The readings include philosophical journalistic social scientific and political pieces concerned with lying witch

hunts love risk beauty and families Annotation c 2003 Book News Inc Portland OR booknews com **The Rackham Journal of the Arts and Humanities** ,1980 **Preparation for the CLEP, College-Level Examination Program** Leo Lieberman,1989 *Teaching Well* Lisa Bush,2019-01-02 How can teachers balance the needs of busy classrooms with the needs of their own health and well being This remarkable book illustrates that embracing a healthy lifestyle is not only beneficial for teachers but for students classrooms and schools too It suggests that teachers can reduce the work they do outside the classroom and still be a motivated and engaged teacher Promoting a healthy work life balance the book explores how to avoid burnout while still creating an effective learning community The conversational tone and a wealth of anecdotes will make this an invaluable guide for every educator **Barron's TASP** Sandra L. McCune,Sandra K. McCune,Nancy J. Wright,Janet Elder,Katherine Gonnet,1999 Helping English Learners to Write Carol Booth Olson,Robin C. Scarcella,Tina Matuchniak,2015-03-27 Using a rich array of research based practices this book will help teachers improve the academic writing of English learners It provides specific teaching strategies activities and extended lessons to develop E Learner students narrative informational and argumentative writing emphasized in the Common Core State Standards It also explores the challenges each of these genres pose for English Learners and suggests ways to scaffold instruction to help students become confident and competent academic writers Showcasing the work of exemplary school teachers who have devoted time and expertise to creating rich learning environments for the secondary classroom Helping English Learners Write includes artifacts and written work produced by students with varying levels of language proficiency as models of what students can accomplish Each chapter begins with a brief overview and ends with a short summary of the key points The SAGE Guide to Writing in Criminal Justice Research Methods Jennifer M. Allen,Steven Hougland,2020-01-28 The SAGE Guide to Writing in Criminal Justice Research Methods equips students with transferable writing skills that can be applied across the field of criminal justice both academically and professionally Authors Jennifer M Allen and Steven Hougland interweave professional and applied writing academic writing and information literacy with the result being a stronger more confident writer researcher and student in criminal justice Focused on teaching students how to write in the academic setting while introducing them to a number of other writing tools specific to research methods such as writing literature reviews abstracts proposals and more The perfect companion for any criminal justice research methods course this brief text focuses on key topics that will benefit students in their classes and in the field *Successful College Writing Brief with 2009 MLA and 2010 APA Update* Kathleen T. McWhorter,2010-12-06 All the help students need to succeed Because so many first year writing students lack the basic skills the course demands reading specialist McWhorter gives them steady guidance through the challenges they face in academic work Successful College Writing offers extensive instruction in active and critical reading practical advice on study and college survival skills step by step strategies for writing and research detailed coverage of the nine rhetorical patterns of development and 61 readings that provide strong rhetorical models as well as an easy to use

handbook in the complete edition McWhorter's unique visual approach to learning uses graphic organizers revision flowcharts and other visual tools to help students analyze texts and write their own essays Her unique attention to varieties of learning styles also helps empower students allowing them to identify their strengths and learning preferences Successful College Writing is not just about the mastery of academic discourse It's a leader in its genre because it helps students acquire valuable strategies for creating effective texts that are associated with expert professional communication in general Lilia Savova Indiana University of Pennsylvania

Developing Creative Thinking to Improve Academic Writing Azza Abugharsa PhD, 2018-05-08 Developing Creative Thinking to Improve Academic Writing Part Two Advanced Level textbook helps enhancing lateral thinking within the given contextual frame in order to promote students intellectual challenge to produce a comprehensive understanding about the topic This facilitates flexible thinking required to write academic assignments in which arguments are presented for thorough analysis Since rigid judgments can lead to fossilized views it is recommended to emphasize the concept that all opinions are correct from the points of view of their holders In this regard this book helps college students practice improving their triangular thinking skills which emphasize evaluation of all the aspects of the topic in an equal pattern Furthermore this book is useful for ESL college students as well as native speakers of English as it reinforces transformational learning principles which highlight education by inspiration rather than information Such a strategy can motivate the students to become more creative more practical and more resourceful and enable them to transform their learning related thinking abilities and attitudes in order to come to a better understanding of themselves and the world

Reading to Learn in a Foreign Language Keiko Koda, Junko Yamashita, 2018-09-03 This book describes a theory guided approach to Foreign Language FL course development implementation instruction and assessment It documents the development and implementation of a theory guided approach designed to exploit cross linguistically sharable competencies as resources for promoting FL learning The volume delineates the processes of a identifying cross linguistically sharable competencies b exploring ways of exploiting sharable competencies as resources in promoting language skills through their purposeful use for content learning c implementing the instructional approach in multiple EFL classrooms and d evaluating the approach by comparing learning outcomes across classrooms It presents a solid conceptual framework that integrates theories in multiple research domains including second language acquisition knowledge acquisition and language assessment It also provides detailed descriptions of framework construction and classroom implementation the two processes that are integral to course design and development
