19   <h1>The School of Athens</h1>
20   <h2>By Raphael</h2>
21   
22   <p>The <em>School of Athens</em>, considered by many to be Raphael's
23     masterwork, is a fresco representing the greatest minds of
24     classical antiquity, gathered together to share their
25     thoughts and beliefs. The fresco was painted between 1509 and 1511
26     as a part of a commission to decorate the rooms of the
27     Stanze di Raffaello in the Apostolic Palace in the Vatican.</p>
28   <p>The two center figures, Aristotle and Plato, are key philosophers
29     in the development of Western thought. Plato, with his belief in a
30     higher reality, points skyward. Within his hands, Plato holds
31     the <em>Timaeus</em> <del>imdash</del> one of Plato's famous dialogs on
32     the nature of reality and time. In contrast, Aristotle points
33     downward, indicating that he is grounded in a reality that can be
34     experienced by sight and touch. In his hands, he holds his
35     book <em>Ethics</em>, a tome that emphasizes the need for
36     justice, friendship, and ethical government.
37   </p>
38   <p>Other famous philosophers fill the pseudo-architecture. In many cases,
39     when Raphael did not have classical images to draw upon, he used
40     images of contemporary figures to stand in for their classical
41     counterparts. Look for a portrait of Michelangelo on the left-forward
42     steps, his thoughts concerned with sketching and art.</p>
