New Testament Survey:

Nelson's New Testament Survey Mark Bailey, Tom Constable, 2009-08-31 Essential information for understanding interpreting and applying each book of the New Testament This concise tool for quick reference and book by book insight organized in book chapter verse order for ease of use is an essential addition to any personal pastoral or church library Like many other Bible handbooks Nelson's New Testament Survey includes the essential orientating data points such as authorship for each book date it was written where it was written the audience it was written to and a general overview of that book's content But this New Testament survey goes one step further and includes both careful interpretation and practical application allowing you to become more familiar with the New Testament than ever before Features Include Concise information for each book from Matthew to Revelation Careful analysis of every paragraph of the New Testament Careful mapping of each New Testament author's purpose in writing Sidebars and inserts offer other valuable reference material such as lists of the parables of Jesus the miracles of Jesus and key theological principles Current bibliographies for further study

New Testament Survey: an Outline Willis C. Newman, 2010-05-18 This book gives you a basic overview of the New Testament Included in this birds eye view are general facts regarding the Bible as a whole and the New Testament in particular I also introduce some basic concepts about interpretation and canon From there I go into areas of the historical and cultural context where the New Testament took its form It is important to anchor the words of the New Testament into the events history social structures culture and places of this world A basic background and outline of each of the books of the New Testament is also provided

New Testament Survey Merrill C. Tenney, 1985-08-28 Written in a clear non technical style New Testament Survey is an analytical and historical survey which sets forth the message of the New Testament against a fully integrated picture of the world of the first century

New Testament Survey Bible Lessons International, 2000-12-01

New Testament Survey Robert G. Gromacki, 2008-08-01 Before coming to grips with an individual verse or passage in the New Testament Bible students and expositors must understand how it relates to the theme of the book This nontechnical survey offers readers a working understanding of the New Testament by providing the theological tools necessary to synthesize biblical passages into themes It incorporates historical and cultural backgrounds without becoming a book on manners and customs and deals with the actual text of Scripture without becoming a verse by verse commentary Pictures charts and outlines aid comprehension This classic text which has served students well for many years is now available in paperback

A Popular Survey of the New Testament Norman L. Geisler, 2014-09-09

Understanding the New Testament is a daunting but exciting task Our world is so different from that of the first century Yet it is important to understand the context and content of the New Testament if we are to be faithful followers Now in paper this survey addresses the who what where when why and how questions that readers of the Bible may have such as How can we tell if what is written in the New Testament is true history or just mythology When were these books written and why and

What can today's believers get out of letters addressed to people who lived two millennia ago? Written in an easy informal style, this survey is accessible and enjoyable to anyone who wants to better understand the New Testament. *Jensen's Survey of the New Testament* Irving Jensen, 1981-05-26 Leads the reader to study and personal reflection considering the practical implications of Scripture. This one volume contains all of Irving Jensen's Bible self study guides to the New Testament. *New Testament survey* Merrill Chapin Tenney, 1985 **New Testament Survey** Walter M. Dunnnett, 1963

A Brief New Testament Survey on the Life of Jesus Christ Dr. John Thomas Wylie, 2016-02-22 I recently published my seventh title and the Lord compelled me to press on toward the mark. I realize much could be said of Jesus Christ and that would not be enough. If it were possible, one might pen as much as the number of hairs on one's head or the number of stars in the heavenly skies, but that's not enough said about Christ. If I could pen the sum total grains of the sand in the desert, that would not be enough. That's not enough to express the awesome nature of Jesus Christ. It would be impossible to begin to scratch reality's surface. What I do know is that a man can begin somewhere and express his views concerning the Master. So I conclude this and begin my topic on A Brief New Testament Survey on the Life of Jesus Christ. Thus, grace unto God our Father who provides for all according to his glory and the making of this eighth title, A Brief New Testament Survey on the Life of Jesus Christ. This publication is a brief survey and not an expository study on the life of Jesus Christ and teachings of Christ. The content of the publication is intended to give a more accurate account according to the Gospel of Luke and other scriptures to strengthen the young reader's confidence in what the gospel will tell about Christ. Although every episode of Jesus Christ is not covered, that is not this book's intent. The intent is to give many young people and first-time readers a starting point. Christ wards, Reverend Dr. John Thomas Wylie
