Erwin, 2020-12-22 Inspiring and practical guide to create a safe and positive learning environment and help students master critical social and emotional skills The SEL Solution provides everything teachers need to create a safe and positive learning environment With dozens of fun and easy to do lessons and activities educators have a clear path to integrate SEL lessons into social studies and language arts curriculum as well as throughout the school day Additional sections for SEL directors and school leaders offer a blueprint for building a school wide community that helps students and staff master critical social and emotional skills like self awareness the ability to focus self control self regulation the ability to empathize active listening and cooperation engages everyone kids and adults in effective compassionate behavior management strategies increases student success For use by teachers counselors coaches principals and other educators the strategies in The SEL Solution provide a plan for engaging the whole school community in identifying celebrating and sustaining its positive values Digital content includes customizable forms from the book and a PDF presentation for professional development **Race Lessons** Prentice T. Chandler, Todd S. Hawley, 2017-05-01 We hold that the mission of social studies is not attainable without attention to the ways in which race and racism play out in society past present and future In a follow up to the book *Doing Race in Social Studies* 2015 this new volume addresses practical considerations of teaching about race within the context of history geography government economics and the behavioral sciences *Race Lessons Using Inquiry to Teach About Race in Social Studies* addresses the space between the theoretical and the practical and provides teachers and teacher educators with concrete lesson ideas for how to engage learners with social studies content and race Oftentimes social studies teachers do not teach about race because of several factors teacher fear personal notions of colorblindness and attachment to multicultural narratives that stress assimilation This volume will begin to help teachers and teacher educators start the conversation around realistic and practical race pedagogy The chapters included in this volume are written by prominent social studies scholars and classroom teachers This work is unique in that it represents an attempt to use Critical Race Theory and inquiry pedagogy Inquiry Design Model to teach about race in the social science disciplines Connecting Content and Academic Language for English Learners and Struggling Students, Grades 2-6 Ruth Swinney, Patricia Velasco, 2011-05-11 In this supremely practical book award winning principal Ruth Swinney and college professor Patricia Velasco focus on the careful planning needed to develop the academic language of all students For English learners especially it is critically important to integrate language development with the content that the curriculum demands What makes this book unlike any other is the detailed guidance it provides to help students advance from social to academic language encourage verbal expression in the classroom plan language arts social studies and science lessons that connect language and content and use shared reading and writing read alouds and conversation to teach language skills Hands on

tools include graphic organizers sample lesson plans concept maps semantic webbing word walls and worksheets and everything teachers need to help emergent bilingual and struggling students master the academic language they need to excel in school
