Newburn Criminology 2nd Edition:

Criminology Tim Newburn, 2013 A comprehensive introduction to criminology this text provides the basis of study for the new undergraduate student of criminology and those who need a foundation knowledge of criminology in other relevant courses

The Treatment and Rehabilitation of Offenders Iain Crow, 2001-07-23 Treatment and rehabilitation have been central to the development of criminal justice policy and have played an important role in the development of criminology In recent years punishment and retribution have attracted more attention than rehabilitation but there has been a resurgence of interest in treatment and rehabilitation with indications that some things do work and an emphasis on evidence based policy making It is also the belief of many that a penal policy without an adequate treatment strategy is unjust and a denial of human rights In this book Iain Crow provides an accessible overview of the concepts of treatment and rehabilitation adopting a deliberately broad definition and considers the historic

Routledge Handbook of Crime Science Richard Wortley, Aiden Sidebottom, Nick Tilley, Gloria Laycock, 2018-11-13 Crime science is precisely what it says it is the application of science to the phenomenon of crime This handbook intended as a crime science manifesto showcases the scope of the crime science field and provides the reader with an understanding of the assumptions aspirations and methods of crime science as well as the variety of topics that fall within its purview Crime science provides a distinctive approach to understanding and dealing with crime one that is outcome oriented evidence based and that crosses boundaries between disciplines The central mission of crime science is to find new ways to cut crime and increase security Beginning by setting out the case for crime science the editors examine the roots of crime science in environmental criminology and describe its key features The book is then divided into two sections The first section comprises chapters by disciplinary specialists about the contributions their sciences can make or have already made to crime science Chapter 12 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

An Introduction to Criminal Psychology Russil Durrant, 2018-03-29 This book offers a clear up to date comprehensive and theoretically informed introduction to criminal psychology exploring how psychological explanations and approaches can be integrated with other perspectives drawn from evolutionary biology neurobiology sociology and criminology Drawing on examples from around the world it considers different types of offences from violence and aggression to white collar and transnational crime and links approaches to explaining crime with efforts to prevent crime and to treat and rehabilitate offenders This revised and expanded second edition offers a thorough update of the research literature and introduces several new features including detailed international case studies setting the scene for each chapter promoting real world understanding of the topics under consideration a fuller range of crime types covered with new chapters on property offending and white collar corporate and environmental crime detailed individual chapters exploring prevention and rehabilitation previously covered in a single chapter in the first edition an array of helpful features

including learning objectives review and reflect checkpoints annotated lists of further reading and two new features Research in Focus and Criminal Psychology Through Film This textbook is essential reading for upper undergraduate students enrolled in courses on psychological criminology criminal psychology and the psychology of criminal behaviour Designed with the reader in mind student friendly and innovative pedagogical features support the reader throughout

Introduction to Policing Research Denise Martin, Stephen Tong, 2023-12-05 This book offers a first hand insight into the work of policing scholars and the research that they undertake Bringing together a range of leading scholars and drawing on a range of pressing topics it introduces the diverse nature of policing research and the ethical and practical challenges faced by policing researchers Each chapter brings clarity to the concept of empirical research within policing introduces readers to the theoretical explanations and assumptions that underpin the rational of research design in policing as well as considering the limitations of research Topics include research methods in police research police professionalisation police and diversity police leadership undercover policing police and vulnerability activist research social media and policing This revised and expanded new edition includes more focus on the role of research in policing police and academic partnerships and practitioners as researchers as well as a brand new section offering international perspectives on policing research Brimming with practical examples case studies key learning points and practical advice this book is essential reading for Professional Policing students as well as early career researchers and those engaged with criminological research methods The Moral Foundations of the Youth Justice System Raymond Arthur, 2016-12-01 When is it fair to hold young people criminally responsible If young people lack the capacity to make a meaningful choice and to control their impulses should they be held criminally culpable for their behaviour In what ways is the immaturity of young offenders relevant to their blameworthiness Should youth offending behaviour be proscribed by criminal law These are just some of the questions asked in this thoughtful and provocative book In *The Moral Foundations of the Youth Justice System* Raymond Arthur explores international and historical evidence on how societies regulate criminal behaviour by young people and undertakes a careful examination of the developmental capacities and processes that are relevant to young people s criminal choices He argues that the youth justice response needs to be reconceptualised in a context where one of the central objectives of institutions regulating children and young people s behaviour is to support the interests and welfare of those children This timely book advocates a revolutionary transformation of the structure and process of contemporary youth justice law a synthesised and integrated approach that is clearly distinct from that used for dealing with adults This book is a key resource for students academics and practitioners across fields including criminal law youth justice probation and social work **Homicide** Wayne Petherick, Natasha Petherick, 2018-12-03 *Homicide* examines the incidence and prevalence of homicide in major western nations covering the biological psychological and social roots of homicide from genetic and evolutionary perspectives but also considering emotions and the influence of peers Different types of homicide are discussed with final chapters covering tactics

for investigation and homicide prevention Students and instructors in the areas of forensic science sociology criminology psychology psychiatry justice and criminal justice at the university level will find this book to be a comprehensive resource as will those researching homicide and related topics

Religion, Crime and Punishment Russil Durrant,Zoe Poppelwell,2017-10-17 This book provides a critical discussion of the way in which religion influences criminal and antisocial behaviour punishment and the law intergroup conflict and peace making and the rehabilitation of offenders The authors argue that in order to understand how religion is related to each of these domains it is essential to recognise the evolutionary origins of religion as well as how genetic and cultural evolutionary processes have shaped its essential characteristics Durrant and Poppelwell posit that the capacity of religion to bind individuals into socially cohesive moral communities can help us to understand its complex relationship with cooperation crime punishment inter group conflict and forgiveness An original and innovative study this book will be of special interest to criminologists and other social scientists interested in the role of religion in crime punishment intergroup conflict and law

Realist Evaluation for Crime Science Graham Farrell,Aiden Sidebottom,2018-10-17 This collection of essays published to mark the 20th anniversary of Realistic Evaluation celebrates the work of Professor Nick Tilley and his significant influence on the fields of policing crime reduction and evaluation With contributions from colleagues co authors and former students many of whom are leading scholars in their own right the thirteen essays which make up this volume contain both personal reflections and analysis of the prominent topics in Professor Tilley s forty years of scholarship

Integrated Offender Management and the Policing of Prolific Offenders Frederick Cram,2023-05-30 This book analyses the impact of Integrated Offender Management IOM on contemporary policing and separates the rhetoric from the reality Drawing on a qualitative study within an English police force over two years this book examines the experiences of prolific offenders subject to IOM and sheds light on the culture and practice of the police and staff from other criminal justice agencies working within the scheme While IOM has been judged to have had initial successes in reducing the criminal activities of prolific offenders this book tests the validity of such claims and considers the apparent disjuncture between policy statements made about the workings of IOM and how IOM policing operations are realized on the ground It makes a unique contribution to research on police culture and practice and multi agency working in the criminal justice system An accessible and compelling read this book will appeal to policymakers as well as students and scholars of criminology sociology policing and politics
