story writer Gary Fincke reconciles lost hope and quiet despair with small blessings and ultimate redemption In his world as
easily as one man becomes a hero another is riddled with failure Fincke weaves together the large and small tragedies of
daily life to create an inescapable yet at times oddly comforting reality His characters inhabit a world of strip malls and fast
food joints low down jobs and physical ailments lottery tickets and cheap beer Here everyone and everything is suspicious
and only the luck of the draw determines who if anyone will survive In the title story Ben a fifty year old bookstore clerk
facing the possibility of prostate cancer feels his life spiraling out of control as he endures his female doctor s examinations
with childlike embarrassment on the one hand and struggles to conceal his age from his teenybopper coworkers on the other
Ben s only consolation is that every day he heard about something a hundred times worse In Gatsby Tender Paradise
Bridgeford encounters a group of lightning strike and electrocution victims and feels lucky to have survived several light
switch shocks the same type of shocks that have permanently disabled one man in the group Such are the small but

important blessings that ultimately rescue Fincke's characters from despair Here at last is someone who can articulate both our constant mortal desire to transcend ordinary experience and our simultaneous comfort in the unremarkable and familiar
