Broadcast News Workshop '99 Proceedings

Darpa, 1999-06-29 **The Wedding Report** Hans-Jürg Suter, 1993-09-01 Traditional text types or genres are complex linguistic sociocultural and cognitive phenomena that can only be analysed in flexible interdisciplinary frameworks fusing structural and process oriented approaches and combining quantitative description with qualitative interpretation and evaluation The theoretical and methodological implications of the prototypical text type concept which is developed in this book are explored in an exhaustive case study of a representative ie prototypical genre the wedding report a conventional type of news report published in local English newspapers The distinctive contextual and textual features situational context text production processes function thematic structure and form on the macro and microlevel are analysed synchronically and diachronically The linguistic findings are integrated into a comprehensive view of the interplay between the genre as a linguistic frame and its sociocultural context The study puts special emphasis on addressing the methodological problems arising from the inherent fuzziness of traditional text types and can thus serve as a detailed working model of genre analysis designed to be adapted to the specific requirements of similar studies

The Civil Power of the News

Jackie Harrison, 2019-10-18 This landmark book is concerned with the civil power of the news This power can be seen in the ways the news engages with public sentiment through a focus on three invariant civil concerns identity legitimacy and risk The book analyses how news stories engage with these concerns to make civil and anti civil judgements which influence public sentiment and determine the boundaries we place and maintain around the society we live in Through historical and contemporary examples of this boundary shaping and maintenance *The Civil Power of the News* presents a bold and original account of the architecture of news the influence it has on our conceptions of civility and ultimately the power it wields
