

Four Pillars of NHS: Scholarship, Character, Leadership, Service Abilities

It is an accomplishment for me to be applying to the National Honor Society. I believe that my teachers and other staff members in the school have seen potential in me that they have seen before in order for me to be chosen to be a candidate for such an influential association. Their faith in me demonstrates that I have proved that I continue to have my determination, ambition and ability to help other people and help the community. I truly believe that I would become a valuable member of the national honor society, because I believe that I have all the required qualities, such as scholarship, character, leadership, and service abilities. I am hardworking as well as someone who is dependable.

The four pillars of national honors society means to me to become a leader in many ways because of the many diverse leadership position roles. One of the leadership positions I take part in is peer mediation, which provides the ability to interact with many students, get shown the challenges that students face with each other and find methods to solve the issues. I am also privileged to lead multiple committees and am providing them with tough decisions that determine the success of the class and events. The challenges and solutions I face have prepared my leadership abilities. If admitted as an NHS member, I believe that will gain more skills to further initiate my achievements and personally progress my leadership skills.

Scholarship to me is a balance between showing your Leadership and how it must then be put in order, to make sure that an accomplished outcome is complete. I have always strived to be a good scholar and achieve remarkable leadership skills. Personally I know that it's difficult to maintain a balance between scholarship and leadership, but with commitment and perseverance, everything begins to fall into place. As an NHS member, I will still maintain my good grades and continue to engage myself in community and school leadership.

The school community as well as many other communities benefit from individuals with the dedication for giving voluntary service. Being someone that takes on many leadership roles in our school has made me provide a role to the school community on how to take care of the school environment. By being frequently involved in giving back to the community through some of the services that are provided, it helps the community to be prepared in advance and to avoid anything that is unexpected. Joining the NHS will help me to transform my school's community by continuing with the skills and work that is put out there.

Character is the main pillar that connects all four together. With no character it is ineffective to be a good scholar, leader and show service only to demonstrate it with bad character. Character is significant if you want the school community to respect you and take you seriously as well as cherish your work and your traits. By joining the NHS, I believe it will further i

Race and the Scottish Enlightenment Linda Andersson Burnett, Bruce Buchan, 2025-08-26 How colonialism shaped the Scottish Enlightenment s conception of race and humanity In the decades after 1750 an increasing number of former medical students from the University of Edinburgh construed humanity as a subject of both intellectual curiosity and colonial interest They drew on a shared educational background blending medicine with natural history and moral philosophy in a range of encounters with non European and Indigenous peoples across the globe whom they began to classify as races Focusing on a surprising number of these understudied students this book reveals the gradual predominance of race in Scottish Enlightenment thought Teaching provided a toolbox of concepts and theories for students who went on to careers as military and naval surgeons colonial administrators and natural historians While some such as Mungo Park who traveled in Africa are well known many others such as the long term residents in the Russian Empire Matthew Guthrie and his wife Maria Guthrie or the Caribbean botanist Alexander Anderson are less remembered Among this group were those such as the Pacific traveler Archibald Menzies and the circumnavigator of Australia Robert Brown who are known primarily as botanists rather than as ethnographers Together they formed a global network of colonial travelers and natural historians sharing a common educational background and a growing interest in race

The Silence of Swastika Swastika Singh, Dead Writers Club, Lin Xun, The swastika is silent But it has so much to say The symbol s many secrets were revealed by the world

renowned historian Dr Rex Curry referenced inside Dr Curry's work is endorsed in The Silence of Swastika a video documentary produced by AKTK in India The lead reporter confirmed Dr Curry's discovery stating It is also claimed that one of the reasons for choosing this symbol was the S in Hitler's party name National Socialist which is not unreasonable it is in Hitler's own book at 30 30 The documentarians learned about the swastika from educational outreach programs about Dr Curry's academic achievements They learned that Hitler didn't call his symbol a swastika He called it a Hakenkreuz hooked cross because it was a type of cross from the Christian religion The documentary is a massive adoption and rehashing of Dr Curry's earlier work The video documentary was produced before Dr Curry's latest jaw dropping revelation and that is unfortunate In 2022 Dr Curry discovered the reason why Hitler renamed his political party the DAP to NSDAP National Socialist German Workers Party REASON because Hitler needed the word SOCIALIST in his party's name so that Hitler could use swastikas as S letter shaped logos for SOCIALIST as the party's emblem It is important to note that Hitler didn't rename his party the National Christian German Workers Party nor the Christian Socialist German Workers Party Here are some of the many secrets revealed about the swastika

1 NEW SWASTIKA DISCOVERY The swastika is the reason why Hitler renamed his political party from DAP to NSDAP National Socialist German Workers Party because he needed the word Socialist in his party's name so that Hitler could use swastikas as S letter shaped logos for SOCIALIST as the party's emblem The party's name had to fit in Hitler's socialist branding campaign that used the swastika and many other similar alphabetical symbols including the SS and SA and NSV and VW etc He was selling socialism by selling flags and related merchandise It resembled the advertising campaign of the American socialist Francis Bellamy The new discovery part includes the fact that the public doesn't know that Hitler's use of the swastika as alphabetical symbolism is a reason why he changed the name of the party adding the word socialist The new discovery is also that it is additional proof that Hitler employed the swastika as alphabetical symbolism of S letter shapes for his socialism The discoveries are from the historian Dr Rex Curry's work

2 NEW LENIN'S SWASTIKA REVELATION Vladimir Lenin's swastika is exposed herein The impact of Lenin's swastikas was reinforced at that time with additional swastikas on ruble money paper currency The swastika became a symbol of socialism under Lenin It's influence upon Adolf Hitler is explained in this book

3 Hitler altered his own signature to reflect his S shapes for socialism logo branding

4 Hitler never used the word swastika in his life The term swastika never appears in the original Mein Kampf

5 Hitler and his supporters self identified as socialists by the very word in voluminous speeches and writings The term Socialist appears throughout Hitler's book Mein Kampf as a self description by Hitler

6 Hitler never called himself a Nazi There was no Nazi Germany There was no Nazi Party Those terms are slang to hide how Hitler and his comrades self identified SOCIALIST

7 Hitler never called himself a Fascist That term is misused to hide how Hitler and his comrades self identified SOCIALIST

8 The term Nazi isn't in Mein Kampf nor in Triumph of the Will

9 The term Fascist never appears in Mein Kampf as a self description by Hitler

10 Soviet socialists and German socialists partnered for International Socialism in

1939 They launched WWII invading Poland together and continued onward from there killing millions Soviet socialism had signed on for Hitler's Holocaust 11 After Hitler's death Stalin continued the plan he had made with Hitler for Global Socialism Stalin took over the same areas that Hitler had captured He used the same facilities that Hitler had used Hitler's Holocaust never ended Stalin replaced Hitler 12 Nazi salutes and Nazi behavior originated in the USA from the Pledge of Allegiance to the Flag The pledge was written by an American National Socialist named Francis Bellamy Francis Bellamy was the cousin of Edward Bellamy another infamous American National Socialist They worked together to promote their dogma in the USA 13 The classic military salute to the brow also contributed to the creation of the Nazi salute with the right arm extended stiffly 14 The Bellamy cousins promoted socialist schools that imposed segregation by law and taught racism as official policy 15 Mussolini was a long time socialist leader with a socialist background raised by socialists to be a socialist and he joined socialists known as fascio fasci and fascisti 16 Fascism came from a socialist e.g. Mussolini Communism came from a socialist e.g. Marx Fascism and Communism came from socialists **Nursing Times, Nursing Mirror** ,1998
