Fetter,Peter Isler,2022-08-09 Buoy your sailing knowhow with advice from two US sailing champions Nothing can beat the feel of the warm sun on your back the gentle wind in your hair and a swaying deck under your feet If you long to take to the open water and sail wherever the wind takes you you ll find everything you need to know in *Sailing For Dummies* This friendly guide offers information for beginning and intermediate captains Discover everything you need to know to confidently navigate your vessel through whatever waters rough or smooth you may encounter Whether your goal is to explore a nearby lake sail down the Mighty Mississippi or take to the open sea *Sailing For Dummies* explains how to launch your vessel tie knots turn sails read the water and more Figure out how to work with the wind using sails to reach your destination Find out how the latest technology makes sailing easier and more enjoyable Master the essential skills of docking tying knots and dropping anchor Learn how to read the wind sea and sky to know what the weather is up to Choose the boat that s right for you complete with bells and whistles Discover the basics of windsurfing and kiteboarding Satisfy your need to go farther and faster in your craft Know how to sail safely in tricky situations Whether you re dipping your toe in the water or knee deep in your pursuit of sailing excellence this reference will come in handy as you set your sights on sailing After spending some time with *Sailing For Dummies* and even more time on the water you ll know the ropes **Sailing to Win!** Nick Weall,1991 Model yacht racing is an exhilarating hobby but one which is bounded by strict rules This book describes the race from the beginning of a race through to successful completion encountering all sorts of situations where adjudication is required It is illustrated throughout with line drawings **Helming to Win** Nick Craig,2025-03-04 Nick Craig s ground breaking *Helming to Win* was published 10 years ago to great reviews Many sailing books can be recycles of familiar themes and ideas Not this one This is a highly personal and radical fresh view of the subject area In the following decade since it was published Nick has won 10 World 3 European and 20 National Championships That s winning more championships than most of us have attended over this period As an amateur sailor with a senior full time job Nick knows how to make the most of his time on the water Every race is recorded in his notes every race builds on his knowledge This new edition of *Helming to Win* utilises what he has learnt from those 33 championship wins and many other less successful events with new learning new anecdotes new photos and additional captions on the photo sequences to ensure the key learnings are easy to take on This updated breakthrough book will help you make the transition from weekend racer to national champion just as Nick has done Covering everything from where to look and getting in the groove to mental approaches and championship sailing you will be working your way up the leaderboard in no time Packed full of intelligent insight brilliant top tips and engaging photo sequences if your goal is to win then this is the book for you **Tactics Made Simple** Jon Emmett,2019-03-05 Olympic gold medallist and multiple world champion Paul Goodison explains why this book is important if you want to win races He says To win sailboat races you need

to sail the boat fast This comes down to hours on the water training and tuning there are few shortcuts to hours of practising on the water To consistently win races you need to sail fast and smart making the right decisions to sail the best course If you are not the fastest boat you are still able to win races and regattas by managing risk and sailing smart This is where good tactics come in But unlike boatspeed tactics may be learnt by thinking about each leg of the course and different situations from the comfort of your own home Jon Emmett s new book *Tactics Made Simple* is a great tool to help fast track this learning This book explains simply through hundreds of diagrams what tactics can be applied around the race track Individual boats in each scenario are given names so that you can easily understand what they are doing Individual chapters take you around the race course from before you get on the water through the pre start start different legs and manoeuvres Each section contains detailed advice for the beginner intermediate and advanced sailor so you can just look at the level of tactics relevant to you Ideal for dinghy sailors there is also a wealth of advice that will benefit yachtsmen This is a practical way to improve your racing results whether starting out moving up the club circuit or competing at national level and beyond Originally published by Wiley Nautical as *Be Your Own Tactics Coach*      **Tactics to Win** Nick Craig,2018-03-06 Unless you have unbeatable boatspeed tactics are vital to winning sailboat races Multi champion Nick Craig shows you how to develop a strategy and what tactics to adopt on every leg and at every mark of the course His first book *Helming to Win* was described as original thought provoking like no other that has gone before it He now turns his highly analytical mind to the subject of tactics He discusses the inputs into strategy starting and the race plan going through each leg in turn Nick then tackles mark tactics covering every different type of mark and fleet tactics on every leg of the course He finally focusses on boat to boat tactics again on every leg of the course In each situation he covers attacking and defensive tactics either to get ahead or make sure you stay ahead Non spinnaker symmetrical spinnaker and asymmetric dinghies are all covered because Nick has won world or national championships in each of these types of boats Having read Nick s first book many said that it had transformed the way they sailed This book will have the same effect on your tactics and should see you moving up the leaderboard      **Sailing to Win** R.N. Bavier (Jr.),1978      *Tactics to Win* Nick Craig,2018-03-06 Unless you have unbeatable boatspeed tactics are vital to winning sailboat races Multi champion Nick Craig shows you how to develop a strategy and what tactics to adopt on every leg and at every mark of the course His first book *Helming to Win* was described as original thought provoking like no other that has gone before it He now turns his highly analytical mind to the subject of tactics He discusses the inputs into strategy starting and the race plan going through each leg in turn Nick then tackles mark tactics covering every different type of mark and fleet tactics on every leg of the course He finally focusses on boat to boat tactics again on every leg of the course In each situation he covers attacking and defensive tactics either to get ahead or make sure you stay ahead Non spinnaker symmetrical spinnaker and asymmetric dinghies are all covered because Nick has won world or national championships in each of these types of boats Having read Nick s first book many said that it had transformed the

way they sailed This book will have the same effect on your tactics and should see you moving up the leaderboard     Start to Win Eric Twiname,2009-08-21 A sailing classic this is the unequalled book on simple racing principles Back in print by high demand with a new design and updated artwork there is nothing else that sets out the techniques of sailing in such a clear understandable manner     *Training to Win* Jon Emmett,2019-03-05 Gold medal winning coach Jon Emmett works with sailors and coaches around the world and is frequently asked things like What is a good exercise to improve this Why do we do this exercise How do we make the exercise more less difficult This book is the answer to those frequently asked questions It contains training exercises for each element of a sailing race As well as describing and illustrating the exercise it tells you what skills you are trying to improve why and how to make the exercise harder or easier The book will enable coaches to deliver better more focussed training sessions but it will also help sailors who don't have the benefit of a coach to practise and improve their sailing skills The exercises are marked as to whether they are suitable for solo boats groups of boats or those with a coach boat As Aristotle said We are what we repeatedly do Excellence then is not an act but a habit Armed with this book get out do some training and improve your sailing skills     Sailing Smart Buddy Melges,Charles Mason,1987-04-15 Sailing Smart is for every sailor who wants to increase his or her knowledge understanding and sailing expertise the local day sailor who wants a firmer grasp of the fundamentals as well as the serious competitor who wants to be up on the latest most innovative sailing techniques and racing strategies Buddy Melges one of the world's best known sailors has at last set down his highly original thoughts on how to sail well He covers the full range of sailing experience from the general to the specific the basic to the highly sophisticated Melges's message is delivered in a bright uncluttered manner by way of applications from his own sailing experience and through step by step instructions on everything from basic boat handling to expert on the course tactics and maneuvers This book is expertly illustrated by the noted sailing artist Ted Brennan and each drawing is accompanied by a cogent in depth explanatory caption     *Race Winning Strategies* Tom Linskey,1995 Tom Linskey is a writer and sail racing enthusiast     **Sailing Boats from Around the World** Henry Coleman Folkard,2012-10-06 Comprehensive profusely illustrated book documents early 20th century sailing boat types around the world racing boats odd and experimental vessels more Over 380 illustrations and photographs Indexes Bibliography
