Children's Liturgy of the Word 2017-2018 Ann Dickinson Degenhard, The essential guide for prayer leaders who facilitate a separate Liturgy of the Word with children on Sundays and Holydays of Obligation. **California, a Slave State** Jean Pfaelzer, 2023-06-27 The untold history of slavery and resistance in California from the Spanish missions, indentured Native American ranch hands, Indian boarding schools, Black miners, kidnapped Chinese prostitutes, and convict laborers to victims of modern trafficking. A searing survey of 250 years of human bondage in what is now the state of California. Readers will be outraged. Publishers Weekly: California owes its origins and sunny prosperity to slavery. Spanish invaders captured Indigenous people to build the chain of Catholic missions. Russian otter hunters shipped Alaska Natives, the first slaves transported into California, and launched a Pacific slave triangle to China. Plantation slaves were marched across the plains for the Gold Rush. San Quentin Prison incubated California's carceral state. Kidnapped Chinese girls were sold in caged brothels in early San Francisco. Indian boarding schools supplied new farms and hotels with unfree child workers. By looking west to California, Jean Pfaelzer upends our understanding of slavery as a North-South struggle and reveals how the enslaved in California fought, fled, and resisted human bondage. In unyielding research and vivid interviews, Pfaelzer exposes how California gorged on slavery, an appetite that persists today in a global trade in human beings lured by promises of jobs but who instead are imprisoned in sweatshops and remote marijuana grows or sold as nannies and sex workers. Slavery shreds California's utopian brand, rewrites our understanding of

the West and redefines America's uneasy paths to freedom

Pattberg, 2012-10-01 The shengren is the single most important concept in Chinese history Since the Europeans had not anything like it but refused to hold the candle to China instead they withheld the shengren and talked about some lesser versions of Greek philosophers or Christian holy men The English soon found a slightly better translation they called the shengren sages The Germans however the descendants of the Holy Roman Empire of German Nation never had a concept for sages or sagehood In their effort to christen China the Germans called the shengren saints Few people realize how the fate of the shengren was inextricably linked to the German obsession with Holiness The European imperialists soon engaged in a fierce battle over China's most valuable possessions its names

Guild and its dubious efforts to establish an Anglo Saxon heritage for California The restored Spanish missions of Los Angeles frame another origin story in which California's native inhabitants civilized through contact with friars gift their territories to white settlers But the history is not so placid A quiet riverside park in the Tulare Lake Basin belies scenes of horror from when settlers in the 1850s transformed native homelands into American property Near the lake bed stands a small marker commemorating the Mussel Slough massacre the culmination of a violent struggle over land titles between local farmers and the Southern Pacific Railroad in the 1870s Tulare is today a fertile agricultural county but its population is poor and unhealthy The California Dream lives elsewhere The lake itself disappeared when tributary rivers were rerouted to deliver government subsidized water to big agriculture and cities But climate change ensures that it will be back the only question is when

The Female Mystic Andrea Janelle Dickens, 2009-05-30 The Middle Ages saw a flourishing of mysticism that was astonishing for its richness and distinctiveness The medieval period was unlike any other period of Christianity in producing people who frequently claimed visions of Christ and Mary uttered prophecies gave voice to ecstatic experiences recited poems and songs said to emanate directly from God and changed their ways of life as a result of these special revelations Many recipients of these alleged divine gifts were women Yet the female contribution to western Europe's intellectual and religious development is still not well understood Popular or lay religion has been overshadowed by academic theology which was predominantly the theology of men This timely book rectifies the neglect by examining a number of women whose lives exemplify traditions which were central to medieval theology but whose contributions have tended to be dismissed as merely spiritual by today's scholars In their different ways visionaries like Richeldis de Faverches founder of the Holy House at Walsingham or England's Nazareth the learned Hildegard of Bingen Hadewijch of Brabant exemplary voice of

the Beguine tradition of love mysticism charismatic traveller and pilgrim Margery Kempe and anchoress Julian of Norwich all challenged traditional male scholastic theology Designed for the use of undergraduate student and general reader alike this attractive survey provides an introduction to thirteen remarkable women and sets their ideas in context Planning the Catholic Funeral Terence P. Novack, 2014-05-19 On first consideration one might not be inclined to view Adolf Hitler and Dietrich Bonhoeffer in relation to Jehanne d Arc Joan of Arc but Brenda E Novack does just that She demonstrates how these three prominent figures who influenced world history all acted in accordance with what they claimed or perceived to be divine sanction of their participation in violence Taking the reader on a unique exploration of their lives and deaths Novack identifies significant similarities and differences in notions of divine call and human response conveyed by these personalities and determines how they align or fail to align with the biblical prophetic tradition Taking Jehanne d Arc as her foundational study the author engages important theological issues such as the nature of revelation evil and morality The process culminates in the construction of a model of righteous warfare and human agency presented as a tool for evaluating claims to divinely sanctioned violence and as a potentially effective alternative to an outmoded and currently inadequate just war model Case studies of Hitler and Bonhoeffer tentatively establish the model s ability to steer humanity away from unnecessary destruction toward justice compassion and peace *The American Year Book* Albert Bushnell Hart, 1920
