what we now think people are and can be This book tells that story the story of American lyric Maroons and the Marooned Richard Bodek, Joseph Kelly, 2020-04-20 Contributions by Richard Bodek Claire P Curtis Joseph Kelly Simon Lewis Steve Mentz J Brent Morris Peter Sands Edward Shore and James O Neil Spady Commonly the word maroon refers to someone cast away on an island One becomes marooned usually through a storm at sea or by a captain as a method of punishment But the term originally denoted escaped slaves Though being marooned came to be associated mostly with white European castaways the etymology invites comparison between true maroons escaped slaves establishing new lives in the wilderness and people who were marooned through maritime disaster This volume brings together literary scholars with historians encompassing both literal maroons such as in Brazil and South Carolina as well as metaphoric scenarios in time travel novels and postapocalyptic narratives Included are examples from The Tempest Margaret Atwood's MaddAddam trilogy A Connecticut Yankee in King Arthur's Court and Octavia Butler's Kindred Both runaways and castaways formed new societies in the wilderness But true maroons escaped slaves were not cast away they chose to fly towards the uncertainties of the wild in pursuit of freedom In effect this volume gives these maroons proper credit at the very heart of American history

Lost Loss in American Elegiac Poetry Toshiaki Komura, 2020-10-07 Lost Loss in American Elegiac Poetry Tracing Inaccessible Grief from Stevens to Post 9 11 examines contemporary literary expressions of losses that are lost on us inquiring what it means to lose loss and what happens when dispossessory experiences go unacknowledged or become inaccessible Toshiaki Komura analyzes a range of elegiac poetry that does not neatly align with conventional assumptions about the genre including Wallace Stevens s The Owl in the Sarcophagus Sylvia Plath s last poems Elizabeth Bishop s Geography III Sharon Olds s The Dead and the Living Louise Gl ck s Averno and poems written after 9 11 What these poems reveal at the intersection of personal and communal mourning are the mechanism of cognitive myth making involved in denied grief and its social and ethical implications Engaging with an assortment of philosophical psychoanalytic and psychological theories Lost Loss in American Elegiac Poetry elucidates how poetry gives shape to the vague despondency of unrecognized loss and what kind of phantomic effects these equivocal grieving experiences may create The Literature of the Ozarks Phillip Douglas Howerton, 2019-02-25 The job of regional literature is twofold to explore and confront the culture from within and to help define that culture for outsiders Taken together the two centuries of Ozarks literature collected in this ambitious anthology do just that The fiction nonfiction poetry and drama presented in The Literature of the Ozarks complicate assumptions about backwoods ignorance debunk the pastoral myth expand on the meaning of wilderness and position the Ozarks as a crossroads of human experience with meaningful ties to national literary movements Among the authors presented here are an Osage priest an early explorer from New York a native born farm wife African American writers who protested attacks on their communities a Pulitzer Prize winning poet and an art history professor who created a fictional town and a postmodern parody of the region s stereotypes The Literature of the Ozarks establishes a canon as

nuanced and varied as the region s writers themselves American Cultural Studies Neil Campbell, Alasdair Kean, Andrew Dix, Peter Templeton, 2025-09-30 Now in its fifth edition American Cultural Studies continues to offer a critical introduction to key concepts topics and methods in the study of United States culture exploring subjects that include the city ethnicity and immigration religion youth and gender and sexuality The fifth edition has been comprehensively revised to take account of developments in American culture during the past decade Arguments are supported by close readings of cultural materials that range from novels to paintings films to political speeches and TV shows to regional cuisines Updated case studies introduce each chapter with examples including Moonlight The Great Gatsby and the songs and videos of Lady Gaga This book also offers a new chapter on class extended discussion of gender and sexuality including masculinities and trans culture and increased coverage of sports in American culture including baseball wrestling and American football To further engage contemporary readers this edition provides up to date further reading suggestions for each chapter and considers the place of American cultural studies in the current moment Of particular interest to undergraduate readers this book is panoramic in its coverage of the field and is a core text for studying American culture Instructor and student resources for this book include an interactive timeline of cultural and historical events additional discussion questions and activities for each topic and suggestions for further reading and online resources for each chapter Hemingway's Geographies Laura Gruber Godfrey, 2016-06-30 This book draws on the tools of literary analysis and cultural geography to investigate Ernest Hemingway s sophisticated construction of physical environments In doing so Laura Gruber Godfrey revises conventional approaches to Hemingway s literary landscapes and provides insight about his fictional characters and his readers alike

The Cambridge Companion to the Beats Steven Belletto, 2017-02-13 This Companion offers an in depth overview of the Beat era one of the most popular literary periods in America Virtuous Citizens Kendall McClellan, 2021-02-23 Demonstrates how contemporary manifestations of civic publics trace directly to the early days of nationhood The rise of the bourgeois public sphere and the contemporaneous appearance of counterpublics in the eighteenth century deeply influenced not only how politicians and philosophers understood the relationships among citizens disenfranchised subjects and the state but also how members of the polity understood themselves In Virtuous Citizens Counterpublics and Sociopolitical Agency in Transatlantic Literature Kendall McClellan uncovers a fundamental and still redolent transformation in conceptions of civic identity that occurred over the course of the eighteenth and nineteenth centuries Literature of this period exposes an emotional investment in questions of civic selfhood born out of concern for national stability and power which were considered products of both economic strength and a nation s moral fiber McClellan shows how these debates traversed the Atlantic to become a prominent component of early American literature evident in works by James Fenimore Cooper Catharine Maria Sedgwick Sarah Josepha Hale and Harriet Beecher Stowe among others Underlying popular opinion about who could participate in the political public McClellan argues was an impassioned rhetorical wrestling match over the right

and wrong ways to demonstrate civic virtue Relying on long established tropes of republican virtue that lauded self sacrifice and disregard for personal safety abolitionist writers represented loyalty to an ideals based community as the surest safeguard of both private and public virtue This evolution in civic virtue sanctioned acts of protest against the state offered disenfranchised citizens a role in politics and helped usher in the modern transnational public sphere Virtuous Citizens shows that the modern public sphere has always constituted a vital and powerful space for those invested in addressing injustice and expanding democracy To illuminate some of the fundamental issues underlying today s sociopolitical unrest McClellan traces the transatlantic origins of questions still central to the representation of movements like Black Lives Matter the Women s March and the Alt Right What is the primary loyalty of a virtuous citizen Are patriots those who defend the current government against attacks external and internal or those who challenge the government to fulfill sociopolitical ideals

The Evolving Project of Cormac McCarthy Jonathan Elmore, Rick Elmore, 2024-12-11 The Evolving Project of Cormac McCarthy presents eleven essays of original scholarship that undertake a programmatic reassessment of McCarthy s literary and philosophical worldview Examining issues of race morality history metaphysics law economics and ecology in McCarthy s writing reveals how these themes intersect in an overarching positive gesture that characterizes his work Taken together the essays offer a more expansive understanding of McCarthy's critique of contemporary society while providing new clarity on his vision of alternate ways of living and community beyond their present life denying manifestations **Identity in Asian American Coming-of-Age Novels** Jennifer Ho, 2013-09-13 This interdisciplinary study examines the theme of consumption in Asian American literature connection representations of cooking and eating with ethnic identity formation Using four discrete modes of identification historic pride consumerism mourning and fusion Jennifer Ho examines how Asian American adolescents challenge and revise their cultural legacies and experiment with alternative ethnic affiliations through their relationships to food Richard Wright Keneth Kinnamon, 2014-11-04 African American writer Richard Wright 1908 1960 was celebrated during the early 1940s for his searing autobiography Black Boy and fiction Native Son By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris But his writings changed American culture forever and today they are mainstays of literature and composition classes He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers This volume presents a comprehensive annotated bibliography of those essays books and articles from 1983 through 2003 Arranged alphabetically by author within years are some 8 320 entries ranging from unpublished dissertations to book length studies of African American literature and literary criticism Also included as an appendix are addenda to the author's earlier bibliography covering the years from 1934 through 1982 This is the exhaustive reference for serious students of Richard Wright and his critics **Looking Back** at the Jazz Age Nancy von Rosk, 2016-09-23 From Britain's Downton Abbey and Dancing on the Edge to Woody Allen's Midnight in Paris and Baz Luhrmann's The Great Gatsby the Jazz Age's presence in recent popular culture has been striking

and pervasive This volume not only deepens the reader's knowledge of this iconic period but also provides a better understanding of its persistent presence in our time Situating well known Jazz Age writers such as Langston Hughes in new contexts while revealing the contributions of lesser known figures such as Fannie Hurst Looking Back at the Jazz Age brings together an international and interdisciplinary group of scholars who draw on a wide range of academic fields and critical methods New Historicism biography philosophy queer theory psychoanalytical theory geography music theory film studies and urban studies The volume includes provocative new readings of the flapper an intricate examination of the intersections between literature and music as well as some reflections on the twenty first century s preoccupation with the Jazz Age Building on recent scholarship and suggesting avenues for further research this collection will be of interest to scholars and students in American literature American history American studies cultural studies and film studies Reading Junot Diaz Christopher González, 2015-12-19 Dominican American author and Pulitzer Prize winner Junot Diaz has gained international fame for his blended cross cultural fiction Reading Junot Diaz is the first study to focus on his complete body of published works It explores the totality of his work and provides a concise view of the interconnected and multilayered narrative that weaves throughout Diaz s writings Christopher Gonzalez analyzes both the formal and thematic features and discusses the work in the context of speculative and global fiction as well as Caribbean and Latino a culture and language Topics such as race masculinity migration and Afro Latinidad are examined in depth Gonzalez provides a synthesis of the prevailing critical studies of Diaz and offers many new insights into his work From the Edge Allison E. Fagan, 2016-07-14 Chicana o literature frequently depicts characters who exist in a vulnerable liminal space living on the border between Mexican and American identities and sometimes pushed to the edge by authorities who seek to restrict their freedom As this groundbreaking new study reveals the books themselves have occupied similarly precarious positions as Chicana o literature has struggled for economic viability and visibility on the margins of the American publishing industry while Chicana o writers have grappled with editorial practices that compromise their creative autonomy From the Edge reveals the tangled textual histories behind some of the most cherished works in the Chicana o literary canon tracing the negotiations between authors editors and publishers that determined how these books appeared in print Allison Fagan demonstrates how the texts surrounding the authors words from editorial prefaces to Spanish language glossaries from cover illustrations to reviewers blurbs have crucially shaped the reception of Chicana o literature To gain an even richer perspective on the politics of print she ultimately explores one more border space studying the marks and remarks that readers have left in the margins of these books From the Edge vividly demonstrates that to comprehend fully the roles that ethnicity language class and gender play within Chicana o literature we must understand the material conditions that governed the production publication and reception of these works By teaching us how to read the borders of the text it demonstrates how we might perceive and preserve the faint traces of those on the margins
