## **Nothingexcept My Genius:**

**Nothing...Except My Genius** Oscar Wilde,1997-10-02 I have nothing to declare Wilde once told an American customs official except my genius A socialite a wit a man who flaunted convention and was unafraid to shock Oscar Wilde was a great writer and a great man This new collection of wit and wisdom demonstrates the brilliance of his vision the audacity of his style Such is the scope of the material it brings to life the Wilde of great feeling as well as the Wilde of great art **GO**

**Programming in easy steps** Mike McGrath,2020-11-13 GO Programming in easy steps has an easy to follow style that will appeal to anyone who wants to begin coding computer programs with Google s Go programming language The code in the listed steps within the book is color coded making it easier for beginners to grasp You need have no previous knowledge of any computer programming language so it s ideal for the newcomer GO Programming in easy steps instructs you how to write code to create your own computer programs It contains separate chapters demonstrating how to store information in data structures how to control program flow using control structures and how to create re usable blocks of code in program functions There are complete step by step example programs that demonstrate each aspect of coding together with screenshots that illustrate the actual output when each program is executed GO Programming in easy steps begins by explaining how to easily create a programming environment on your own computer so you can quickly begin to create your own working programs by copying the book s examples After demonstrating the essential building blocks of computer programming it describes how to use data abstraction for object oriented programming and demonstrates how to code goroutines and channels for concurrency in your programs Table of Contents 1 Get Started 2 Store Values 3 Perform Operations 4 Control Flow 5 Produce Functions 6 Build Structures 7 Create Arrays 8 Harness Time 9 Manage Data 10 Handle Input 11 Employ Concurrency 12 Request Responses **Searching for Jane Austen** Emily Auerbach,2004

Searching for Jane Austen demolishes with wit and vivacity the often held view of Jane a decorous maiden aunt writing her small drawing room stories of teas and balls Emily Auerbach presents a different Jane Austen a brilliant writer who despite the obstacles facing women of her time worked seriously on improving her craft and became one of the world s greatest novelists a master of wit irony and character development In this beautifully illustrated and lively work Auerbach surveys two centuries of editing censoring and distorting Austen s life and writings Auerbach samples Austen s flamboyant risqu adolescent works featuring heroines who get drunk lie steal raise armies and throw rivals out of windows She demonstrates that Austen constantly tested and improved her skills by setting herself a new challenge in each of her six novels In addition Auerbach considers Austen s final irreverent writings discusses her tragic death at the age of forty one and ferrets out ridiculous modern adaptations and illustrations including ads cartoons book jackets newspaper articles plays and films from our own time An appendix reprints a ground breaking article that introduced Mark Twain s Jane Austen an unfinished and unforgettable essay in which Twain and Austen enter into mortal combat **It's Nothing, Seriously** John

McGreal,2016-04-21 It's Silence Soundly It's Nothing Seriously and It's Absence Presently continue The It Series published by Matador since The Book of It 2010 They constitute another stage in an artistic journey exploring the visual and audial dialectic of mark word and image that began over 25 years ago In their aesthetic form the books are a decentred trilogy united together in a new concept of The Bibliograph All three present this new aesthetic object which transcends the narrow limits of the academic bibliography The alphabetical works also share a tripartite structure and identical length The Bibliograph itself is characterised by its strategic place within each book as a whole as well as by the complex variations in meaning of the dominant motifs nothingness absence and silence which recur throughout the alphabetical entries that constitute the elements of each text It's Nothing Seriously for example addresses the amusing paradox that so much continues to be written today about nothing The aleatory character of the entries in the texts encourage the modern reader to reflect on each theme and to read them in a new way The reader is invited as well to examine their various intertextual relations across given conventional boundaries in the arts and sciences at several levels of physical psychical social reproduction     Only Dull People Are Brilliant at Breakfast Oscar Wilde,2016-03-03 It would be unfair to expect other people to be as remarkable as oneself Wilde's celebrated witticisms on the dangers of sincerity duplicitous biographers the stupidity of the English and his own genius One of 46 new books in the bestselling Little Black Classics series to celebrate the first ever Penguin Classic in 1946 Each book gives readers a taste of the Classics huge range and diversity with works from around the world and across the centuries including fables decadence heartbreak tall tales satire ghosts battles and elephants     *Humorous Wit* Djamel Ouis,2020-01-17 Humorous Wit is a new compilation of quotations in their most humoristic form There are over 15 000 of these taken from various parts of the world with over 1 200 of them translated into English for the first time This book features 5 000 authors from every corner of the globe covering a period starting before classical antiquity when man first started to record his thoughts to modern times enriching the cultural heritage This does not in any way mean that the caveman was less humorous but the richness of the environment we live in today and the variety of subject matter contribute considerably to a refined sense of humour Moreover considering that chimps and other primates also possess the ability to laugh humour may have been around longer than the human race     **Step by Step** Carl Davos,2021-02-28 Working for a bank in Switzerland Ches Adarsh's life is thrown into turmoil when refusing to join a conspiracy with friends and co workers now going by The Magnificent Seven means he must go into hiding One fabricated funeral later Ches evades the authorities and leaves the country to start a new life It is by no means however a happily ever after from here Step by Step takes you on a rollercoaster ride packed with action through Italy Russia England and back to Switzerland as Ches explores alter egos Encountering the absurdity that infiltrates every stratum of society Ches must find a way to reveal the machinations of The Magnificent seven as he questions everything he thought he knew     Angela Carter's Pasts Sarah Gamble,Anna Watz,2025-02-20 This book provides a fresh look at Angela Carter's critical and intertextual

engagements with the past Examining a broad range of Carter s work novels short stories poetry as well as stage plays the essays in this collection explore a stimulating selection of topics including folk song medieval literature magic realism and the occult Frequently drawing on newly available archival material the volume lays out the ways in which Carter wove allusions into her own narratives creating a lively and challenging dialogue with the cultural materials of the past and present This volume will appeal both to scholars and students of contemporary women s writing critical theory gender studies and British fiction

*Famous Lines* Robert Andrews,1997 This scientific detective story is the first book which explains clearly the science used by paleontologists and the new cutting edge techniques that led to the discovery of Seismosaurus the longest dinosaur yet known and possibly the largest land animal to have ever lived Gillette s first person account of the project answers the most frequently asked questions about Seismosaurus How was it discovered How do we know it is a new species How did it die Part catalogue of the workings of paleontological science in the 1990s the book also illustrates the exciting collaboration between Gillette the chemists and physicists who helped to reconstruct Seismosaurus

The Invention of Oscar Wilde Nicholas Frankel,2021-06-10 One should either wear a work of art or be a work of art Oscar Wilde once declared In *The Invention of Oscar Wilde* Nicholas Frankel explores Wilde s self creation as a work of art and a carefully constructed cultural icon Frankel takes readers on a journey through Wilde s inventive provocative life from his Irish origins and their public erasure through his challenges to traditional concepts of masculinity and male sexuality his marriage and his affairs with young men including his great love Lord Alfred Douglas to his criminal conviction and final years of exile in France Along the way Frankel takes a deep look at Wilde s writings paradoxical wit and intellectual convictions

**Oscar Wilde and the Simulacrum** Giles Whiteley,2017-07-05 Oscar Wilde is more than a name more than an author From precocious Oxford undergraduate to cause celebre of the West End of the 1890s to infamous criminal the proper name Wilde has become an event in the history of literature and culture Taking Wilde seriously as a philosopher in his own right Whiteley s groundbreaking book places his texts into their philosophical context in order to show how Wilde broke from his peers and in particular from idealism and challenges recent neo historicist readings of Wilde which seem content to limit his irruptive power Using the paradoxical concept of the simulacrum to resituate Wilde s work in relation to both his precursors and his contemporaries Whiteley s study reads Wilde through Deleuze and postmodern philosophical commentary on the simulacrum In a series of striking juxtapositions Whiteley challenges us to rethink both Oscar Wilde s aesthetics and his philosophy to take seriously both the man and the mask His philosophy of masks is revealed to figure a truth of a different kind the simulacra through which Wilde begins to develop and formulate a mature philosophy that constitutes an ethics of joy
