Be one of the first to read this sneak preview sample edition Mary Poppins meets Bridgerton in a feel good blend of cozy fantasy magic historical romance humor and Victorian era charm as a recent graduate of the Parasol Academy for Exceptional Nannies and Governesses finds her supernatural abilities are little help when it comes to falling for the shy mysterious inventor who happens to be her employer For readers of Heather Fawcett Allison Saft Katherine Arden Freya Marske and Olivia Atwater's Regency Faerie Tales series Emmeline Chase 25 year old widow and new alumna may be more high spirited than the Academy would like Few graduates however could turn a mismanaged teleportation onto a duke's rooftop into an offer of employment But Emmeline's circumstances along with her desperation to support her bankrupt incarcerated father have made her dauntless Which seems the primary qualification to work for expert horologist Xavier Mason Duke of St Lawrence and manage his three rambunctious wards Yet Emmeline soon discovers that the nobleman's heart melting voice and captivating mind present an entirely different sort of trouble She cannot risk losing her license by fraternizing with her employer Xavier's wards have sent two nannies packing in a month thanks to frogs firecrackers and general mayhem In addition Xavier's professional reputation is on the line He's already considered odd with his talking raven companion and his fascination with timekeeping instead of pleasure chasing with his peers Charming vivacious Emmeline seems intrigued with his quirks but Xavier must have absolute peace to design London's King of Clocks for Westminster Palace before the competition closes Emmeline can no doubt restore order As long as he doesn't fall under her spell Yet with a possible saboteur in their midst and the attraction flaring between them threatening to become a deliciously disastrous distraction a touch of magic may be required
