Fellow delegates,

Imagine a world where every breath we take just might be our last. But with every forest, every tree, disappearing with each passing moment, that reality is fast approaching.

Today, we gather as unified voices to address the climate crisis and deforestation - a crisis that transcends borders and political divisions.

The Delegation from Brazil stands firm in its belief that immediate and sustainable action is not only necessary but non-negotiable. Our position is clear: the world needs an international green fund, and operation GREEN is the only way forward.

This solution not only mitigates climate risks but fosters economic growth and job creation. Together, we can create a world that doesn't sacrifice its future for the present.

So, I leave you with this question: if not now, when? If not us, then who? Let us rise to the occasion and ensure that our actions today resonate for generations to come.

What they did right:

- Perfect use of the START formula
- Clear CTA and position outline
- Delegation name mentioned
- Project name mentioned
- Concise
- Strong conclusion
