The Disciple Into the Word Into the World Study Manual retains the familiar DISCIPLE format with its theme word theme verse statement of the human condition daily and weekly assignments and prayer for daily use At some point in their study of every lesson readers make decisions about how they will respond to Scripture in terms of ministry in the world Each week persons will be guided in experiencing the gift of Sabbath rest and renewal Each member of the group needs a study manual and a Bible The Bible is the text for the study and the study manual will guide group members in their study and preparation for the weekly group session The study manual also includes suggestions for individual research and study related activities Space is provided for taking notes while reading Scripture for recording thoughts and questions arising out of daily study and for notes during the weekly group session The titles of the sessions along with theme words and theme verses and major persons events and topics will set the sequence of the biblical story in the minds of the participants The principal Scripture for each session follows the chronological movement of the biblical story Commitment and Time Involved 32 week study Three and one half to four hours of independent study each week 40 minutes daily for leaders and 30 minutes daily for group members in preparation for weekly group meetings Attendance at weekly 2 5 hour meetings Disciple Into the Word Into the World is the second study in the four phase Disciple program and is prepared for those who are graduates of Disciple Becoming Disciples Through Bible Study This study proclaims the transforming power of Scripture while teaching Bible study skills that take participants deeper into the Scripture The importance of keeping Bible study related to witness is reinforced while participants are encouraged to practice spiritual disciplines arising out of Scripture for the purpose of changing habits and transforming lives The study also emphasizes the rhythm of coming to God and going for God of being in the Word and in the world individually and corporately This study understands the growing Christian as under discipline in community and in ministry to the world Disciple Into the Word Into the World approaches all experiences of life as opportunities for faithful witness and service
