

Deacon LETTER of Agreement

This Letter of Agreement is between the Right Reverend Thomas J. Brown, Bishop of Maine, and the Reverend **[insert first and surnames]**, whom the Bishop appoints to **[insert congregation or faith community's name]** in **[insert town or village or city]**, effective on **[insert date]**.

Preface

The ministry of the deacon has its origins in the life and ministry of Christ and in the history of the early Church. All ministry, lay and ordained, reflects the theology and principles given to us through Baptism. Diaconal ministry is defined in both the Constitution and Canons of the Episcopal Church and the Prayer Book, including this text from the ordination liturgy for a deacon:

"God now calls you to a special ministry of servant hood directly under your bishop. In the name of Jesus Christ, you are to serve all people, particularly the poor, the weak, the sick, and the lonely...you are to make Christ and his redemptive love known by your word and example, to those among whom you live and work and worship. You are to assist the bishop and priests in public worship and in the ministration of God's Word and Sacraments, and you are to perform other duties assigned to you from time to time." *(The Book of Common Prayer, p. 543)*

Diaconal ministry embodies both servanthood and leadership. Deacons make a vow to serve directly under the bishop, and therefore, the deacon community is a resource to the diocesan community. However, in the exercise of diaconal ministry all deacons must work as leaders not only with lay leaders in congregations, but also with people in the wider local community. Importantly, deacons work under the supervision of the rector or priest in charge.

Responses to 101 Questions on the Mass Kevin W. Irwin, 1999 A thorough explanation of the parts of the Mass its historical theological and liturgical aspects and how it derives from and relates to daily life **Our Life of Service** Deacon Harold Burke-Sivers, 2021-12-03 Winner of a 2022 Association of Catholic Publishers Excellence in Publishing Award Resources for Ministry Third Place Whether you are seasoned from years of ministry or are just getting started living out the vows you made at ordination this essential handbook will provide the spiritual and practical support you need as a Catholic deacon in the Church today In *Our Life of Service* international speaker and bestselling author Deacon Harold Burke Sivers will inspire and uplift you as he and his brother deacons including Greg Kandra Larry Oney Dominic Cerrato and Thomas J Fox share their testimonies and insights about how to serve God with determination faith and vision Burke Sivers explains the gift of the diaconate as a living image of Christ the Servant in the world a source of comfort and hope at a time when both are in short supply Burke Sivers explores the daily realities of life to answer important questions about the diaconate such as What does the Church teach about the purpose of this ministry both within the parish and the world How are the three key responsibilities of teaching sanctifying and leading entrusted to a deacon at ordination practiced in daily life How does his commitment to his wife help a married deacon balance his duties to his family and ministry What are practical strategies and solutions for the challenges deacons face especially when conflicts arise within ministry Burke Sivers also calls for younger more diverse groups of men who reflect on the face of the Church to become permanent deacons in order to bridge the gap between the Church and the world and to reach the unchurched Each chapter contains questions for reflection action steps and prayers to help deacons strengthen their own commitment to their calling Drawing from the writings of St John Paul II and other ecclesial writings about the purpose and gift of the permanent diaconate Burke Sivers educates and inspires us to more fully appreciate this gift and enriches and encourages those who have themselves answered this call Written for deacons in active ministry *Our Life of Service* is also inspiring reading for Catholics in the pew who are considering a call or who simply want to understand the purpose and gift of the permanent diaconate *Inferior Office* Francis Young, 2015-04-30 In spite of the centrality of the threefold orders of bishop priest and deacon to Anglicanism deacons have been virtually invisible in the contemporary Church of England *Inferior Office* is the first complete history of this neglected portion of the clergy tracing the church's changing theology of the diaconate from the Ordinal of 1550 to the present day Francis Young skilfully overturns the widely held belief that before the twentieth century the diaconate was merely a brief and nominal period of probation for priests revealing how it became an integral part of the Elizabethan defence of conformity and exploring the diverse range of ministries assumed by lifelong deacons in the seventeenth and eighteenth centuries Lifelong deacons often belonged to a marginalised lower class of the clergy that has since been forgotten an oversight of considerable importance to the wider social history of the clergy that is corrected in this volume *Inferior Office* tells the story

of persistent calls for the revival of a distinctive diaconate within the Victorian Church of England and situates the institution of deaconesses and later revival of the distinctive diaconate for women as well as subsequent developments within their wider historical context Set against this backdrop Young presents a balanced case both for and against the further development of a distinctive diaconate today offering much to further discussion and debate amongst clergy of the Church of England and all those with an interest in the rich tapestry of its history **The Epworth Herald** ,1902 Renewal Anne Hendershott,Christopher White,2013-12-03 In the wake of the clergy abuse scandal of the last decade many media commentators predicted the end of the Catholic priesthood Demands for an end to celibacy coupled with calls for women s ordination dominated discussions on the effectiveness of the Catholic Church in America Renewal argues that rather than a decline of the priesthood and a diminishing influence of the Catholic Church we are living in a time of transformation and revitalization The aging generation of progressives that continues to lobby Church leaders to change Catholic teachings on reproductive rights same sex marriage and women s ordination is being replaced by younger men and women who are attracted to the Church because of the very timelessness of its teachings Introduction to Forensic Science and Criminalistics, Second Edition Howard A. Sharon Pace Jeansonne,2023-10-31 Investigates whether differences between the OG translation and the Hebrew Aramaic parent text of Daniel 7 12 are due to intentional theological Tendenz as has been predominantly proposed in the past or to errors or the unintentional cross linguistic mechanics of translation or to a combination of these reasons Jeansonne s investigation proceeds in five stages **Paul against the Nations** Neil Elliott,2023-11-10 Some of the most heated contests around the apostle Paul today concern the effort to understand him wholly within Judaism and the effort to interpret him over against the culture and ideology of the early Roman Empire Here Neil Elliott argues that these two conversations belong together and must be resolved together by understanding Paul as a Jew living out Israel s ancient hopes under the pressures of Roman imperial power **“The” Illustrated London News** ,1851
