

CHAIRMAN'S PRE-ELECTION SPEECH
ON OCCASION OF THE LOCAL GOVERNMENT ELECTION TO BE HELD
ON MONDAY 21ST OCTOBER, 2013

My dear fellow citizens, ladies and gentlemen, good evening! I wish to address you on this the eve of the country's Local Government Election 2013; our third election for the year. One more to go!

Tomorrow's election embraces 136 Electoral Districts in 14 electoral areas comprising 2 Cities, 3 Boroughs and 9 Regional Corporations and an electorate of a little over one million and thirty-six thousand. Associated infrastructure includes two thousand and eighty Polling Stations. Human resources: fifty-three Returning Officers and nearly eleven thousand Poll Day staff, not to mention all the supporting staff of the EBC's Department headed by the Chief Election Officer and also members of the Commission! National elections, be they Parliamentary, Local Government or Tobago House of Assembly, are undoubtedly the largest logistical exercises the country undertakes at any time. In a sense, a Local Government Election is the most complicated of all, since the number of electoral districts and consequently the number of Returning Officers invariably exceed to a significant degree the corresponding numbers for Parliamentary and Tobago House of Assembly Elections.

Tomorrow's election is an historic one in that for the first time in any national election in Trinidad and Tobago, a system of proportional representation (List-PR system, for short), is being introduced – specifically in this case for the selection of Aldermen to City Councils, Borough Councils and the Councils of Regional Corporations. Previously Aldermen were chosen by Councillors. Councillors shall however be elected on the First-past-the-Post system as in the past. The rationale of PR Systems lies in an attempt to reduce the disparity or inequality if you like, between a Party's share of the total votes cast and its share of the number of Aldermanic seats in a Council. Thus, if a Party wins, say, 60% of the vote, the premise is that it should receive approximately 60% of the seats. Similarly, if another Party gains 30% of the vote, then

Sample Election Speech Guide

Julie Pallant

Sample Election Speech Guide:

The Political Campaign "How-to" Guide Nolan Crouse, 2021-06-02 I wasn't lucky I deserved it Prime Minister Margaret Thatcher The Political Campaign How to Guide is a book that offers step by step guidelines on how to win an election as well as providing answers to questions a candidate may have about campaign planning Whether running for Chief mayor reeve councillor MLA MP or trustee in an indigenous provincial federal municipal or school board election this detailed book will provide candidates with the knowledge they need to run a successful campaign Nolan Crouse MBA CCMP TM served as councillor and mayor in Canada for 13 years In this book he shares the secrets to his success in winning four consecutive election campaigns From making the initial decision to run for office to putting together an effective campaign team and brand to fundraising door knocking message delivery and advertising all the way to election day and beyond this book offers valuable tips insights knowledge and tactics that have been proven to be useful and effective Complete with checklists great stories images and examples The Political Campaign How to Guide is a must read for anyone with an interest in running for public office for the first time or running for re election in Canada Most of the key principles also apply to all orders of elected office in the United States and many other democracies around the world **The Complete Idiot's Guide to**

Campaign Guide for Corporations and Labor Organizations United States. Federal Election Commission, 1985-06

Politics, Media and Campaign Language Stephanie Brookes, 2017-04-03 Politics Media and Campaign Language is an original groundbreaking analysis of the story of Australian identity told in Australian election campaign language Stephanie Brookes argues that the story of Australian identity is characterized by recurring cycles of anxiety and reassurance which betray a deep underlying feeling of insecurity Introducing the concept of identity security the book focuses on electoral language and demonstrates that election campaigns provide a valuable window into an overlooked part of Australia's political and cultural history Politics Media and Campaign Language reclaims Australian campaign speech and electoral history to tell the story of changing national values and priorities and traces the contours of collective conversations about national identity
