

Dear Board of Directors Member,

Our next Board of Directors meeting will be held on February 13–14, 2013. This meeting is scheduled in conjunction with our Professional Seminar (February 16–21) so that you may be able to attend both events.

As Directors your participation in the Professional Seminar is enthusiastically welcomed. We are again pleased to offer you a 50% discount off of the cost of the Professional Seminar. Your costs are \$498 per person, residential, and \$298 per person, nonresidential.

Please complete and return the Board of Directors Seminar Registration.

An excellent meeting is anticipated. TMI looks forward to your participation.

Sincerely,

Carol de la Herran

Executive Director/President

Sports Law in Hungary Andras Nemes,2018-02-28 Derived from the renowned multi volume International Encyclopaedia of Laws this practical analysis of sports law in Hungary deals with the regulation of sports activity by both public authorities and private sports organizations The growing internationalization of sports inevitably increases the weight of global regulation yet each country maintains its own distinct regime of sports law and its own national and local sports organizations Sports law at a national or organizational level thus gains a growing relevance in comparative law The book describes and discusses both state created rules and autonomous self regulation regarding the variety of economic social commercial cultural and political aspects of sports activities Self regulation manifests itself in the form of by laws and encompasses organizational provisions disciplinary rules and rules of play However the trend towards more professionalism in sports and the growing economic

social and cultural relevance of sports have prompted an increasing reliance on legal rules adopted by public authorities This form of regulation appears in a variety of legal areas including criminal law labour law commercial law tax law competition law and tort law and may vary following a particular type or sector of sport It is in this dual and overlapping context that such much publicized aspects as doping sponsoring and media and responsibility for injuries are legally measured This monograph fills a gap in the legal literature by giving academics practitioners sports organizations and policy makers access to sports law at this specific level Lawyers representing parties with interests in Hungary will welcome this very useful guide and academics and researchers will appreciate its value in the study of comparative sports law **Stop Fake Work in**
