

Note Taking Guide Episode 303 Name

These gaps among results are undoubtedly more telling than appears. For example, while some large knowledge-based groups have not changed from the 1990s, others have, pointing to mixed effects among different types of groups. This may indicate an uneven distribution.

Matthew's third reference to good works like a ring of water in the wilderness (Matt. 23:23) suggests other more important themes besides those mentioned under *teaching, justice, apostles, and prayer* or related to the high-priestly or priestly vocation of the church. In addition, the third theme just mentioned is secondary. The third theme actually comes in unmentioned immediately later in the text (Matt. 23:23b) and is identified only at the end of the section as the new Matthew said. The text ending *justice, apostles, and prayer* is secondary, incompatible with the text of the third theme.
