

Overview

Polyanna (1913) is the second novel by American author Eleanor H. Porter (1868-1921). The book was so successful that it topped the adult best-seller list, and Porter wrote a sequel titled *Polyanna Grows Up* (c.1915) two years later.

In the years following its publication, *Polyanna* provided hope in the turbulent years of World War I, and it continued to capture the national imagination throughout the 20th century. Eleven more "glad books" featuring the heroine were written after Porter's death, many by ghost writers Elizabeth Borton and Harriet Lummis Smith. The book was adapted into a movie several times, as different generations reinterpreted Porter's sunny heroine for themselves. These included a silent movie starring Mary Pickford (1920) and a Disney adaptation (1960), which named its star Hayley Mills an Oscar. More recent episodes of *Polyanna* include a Japanese anime series directed by Kôzô Kusuba (1986), which shows how *Polyanna*'s appeal has crossed national boundaries. Some fans were not content to leave *Polyanna*'s unflinching optimism to the fictional realm and formed Glad Clubs to practice her outlook on life. One of these was in existence in Denver, Colorado as late as 2006.

Polyanna has ascended her status as a fictional character to become a recognizable personality type. In 1921, the term "*Polyanna*" entered the *American Webster Dictionary* accompanied by the following definition: "a person characterized by impossible optimism and a tendency to find good in everything" ("*Polyanna*"). While Porter's original heroine balanced looking at the world through rose-tinted glasses with practical good deeds that enhanced the lives of others, over time, the term "*Polyanna*" has gained pejorative connotations, as it has come to mean an impractical, passive character who ignores the harsh truth in favor of the reality they would prefer.

This study guide uses the Portouse Kindle version, first published in 2021.

Plot Summary

Following the death of her minister father, 11-year-old orphan Polyanna Whitmer leaves the Western town she grew up in to go East to Seldingville, Vermont to live with her deceased mother's sister, Polly Harrington. Miss Polly is 40, single, and miserable, following her older sister's elopement with Polyanna's father and her estrangement from her own anonymous lover. Miss Polly is unenthusiastic about adopting Polyanna, but she considers it her moral
