Questions About Nehemiah 13:

Questions for the Journey Alan Gibson, 2022-04-19 Questions for the Journey came as a result of a passion to know God more fully by exploring questions in the Bible To my amazement the questions created space for God to work deeply in my life This devotional book by design requires a process for the integration and application of daily Bible reading I have included that process for devotional reading in the beginning of the book It is not a Bible study but a meditative approach that allows God to speak into your life I discovered this approach after many years of using other methods After being exposed to the Lectio Divina I was able to develop something which worked Devotional times no longer needed to be boring or dutiful but became moments of enjoyment with God If your time alone with God has become mundane I encourage you to try this book After utilizing this method I am convinced you will once again enjoy the quiet time with God and embark on a journey of discovery where God brings things to light in your life QUESTIONS AND ANSWERS FROM THE BIBLE Robert

Gobelet, 2016-05-03 Do you have a question about God Jesus the Bible or theology Do you need help understanding a Bible verse or passage Are there any spiritual issues in your life for which you need advice or counsel Then this book is designed for YOU With 100s of Questions and Answers Robert Gobelet details simple and yet deeply profound explanations of the Bible that can help transform your life and lead you to a deeper relationship with Christ God Bless you on your Spiritual Journey

40 Questions About the Historical Jesus C. Marvin Pate, 2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ's life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels Bible Studies on the Sabbath Question Arthur Elwin Main, 1911 **Essays, historical and critical**

on the Temperance Question Frederic Richard Lees, 1853 Quick Fix? Struggling and Suffering Jesus

Esquivel, 2025-10-10 This book is about addressing issues that are holding us back keeping us stuck suffering and struggling There is hope The Bible has all the answers we need for biblical living and dealing with core psychological issues in a healthy way God meets our spiritual and psychological needs but we don't always see that when we are struggling or suffering In Bible times people didn't have psychology it's true but they had God's word and God knows what men women and children need to grow from infancy to mature adults We can't oversimplify people's problems and just ask them to pray more to solve deep rooted core issues because people and problems are complex We need to be careful to not reduce issues to one simplistic cause but rather understand that there are many causes our past traumas social and psychological influences etc
