Saigonhanoi Tome Saigonhanoi:

My Saigon: The Local Guide to Ho Chi Minh City, Vietnam Elly Thuy Nguyen, 2024-01-21 Experience real Saigon My Saigon 2024 Saigon Ho Chi Minh City offers bustling streets amazing walks too hip for you cafes rocking music clubs luxurious salons explosively delicious restaurants and indoor cat zoos Saigon is Vietnam It s young practical crowded and a little bit brash Most visitors to Saigon see the same boring attractions boring restaurants tourist trap markets and War propaganda Saigon has so much more to experience than tourists see My Saigon gives you the insider track the most amazing experiences the cultural backstories the practical go to tips the best coffee the best food far beyond pho and banh mi the best hangouts the coolest stuff and hipsters hipsters everywhere Details about 90 day and multi entry electronic visas to Vietnam new as of August 2023 Big picture navigation History your tour guides aren t allowed to mention Good hotels for cheap without hostels bedbugs and weird smells Get mobile data up and running without being scammed The best pho in Saigon no it s not the one in the backpacker district Awesome authentic cheap restaurants where my friends and I eat and Tripadvisor has no clue about Coffee Did someone say coffee 1930s coffee street coffee specialty coffee all kinds of coffee I ll tell you where Hang out with Vietnamese people munch on dried squid listen to Viet Pop if you dare Make cool friends date guys or girls whatever flag you might fly Bust out with Saigonese slang to make your new friends laugh Watch out for Saigon s mafia they run the streets and they don t announce themselves Don t unintentionally offend people by wearing a popular tourist souvenir t shirt You definitely shouldn t give money to beggars and street kids Avoiding taxi scams in Saigon is so easy but most tourists refuse to learn My Saigon is a guide a love confessional an instruction manual and an ode to the city

Happy in Hanoi: The Local Guide to Hanoi, Vietnam Elly Thuy Nguyen, 2023-11-13 Hanoi a maze of alleys lakes pagodas jazz clubs cafes and Soviet statues Even for us Vietnamese people Hanoi is infamously inscrutable It s Vietnam s enigma wrapped in a mystery with egg cream on top You can take the easy well trodden path the tourist market the tourist pho restaurant the tourist beer street and a dude in a glass case Or you can go local eat the pho that Vietnamese foodies eat drink the coffee Vietnamese hipsters drink and hang out on the other beer street the one that s not in any guidebooks the one for locals I ll even show you a super creepy abandoned amusement park Instead of canned propaganda you ll understand the real stories behind the places and people you re seeing You ll meet the locals Yes they d love to chat with you they want to practice their English and no they don t hate Americans Nobody cares about the war anymore We ll wander down sketchy alleys and experience amazing places you d never find in mass market foreigner produced ChatGPT written guidebooks I ll also teach you practical skills to break away from the guided tours and well worn tourist attractions the lowdown on Vietnam visas the rules were completely changed in 2023 how to get around how to buy things what to say and what and whom to avoid My guidebooks took you to Saigon and Da Nang You had a great time Now let s meet the final boss Hanoi You ll love it I promise

Evaluation of the International Finance Corporation's Global Trade Finance Program, 2006-12 The

World Bank,2013-09-04 As part of its strategy to support global trade the World Bank Group seeks to enhance trade finance in emerging markets In 2005 the International Finance Corporation IFC part of the Bank Group introduced the Global Trade Finance Program GTFP to support the extension of trade finance to underserved clients globally This IEG evaluation found that overall the GTFP was a relevant response to the demand to reduce risk in trade finance in emerging markets The program significantly improved IFC s engagement in trade finance by introducing an open network of banks and a quick flexible response platform to support the supply of trade finance IEG s evaluation covers the program s operations from its inception in 2005 through FY2012 The program grew from a 500 million annual commitment to 5 billion in FY12 It accounted for 39 percent of total IFC commitments and has low costs it accounted for 2.4 percent of IFC s capital use and 1.2 percent of its staff costs and has had no claims to date It is profitable as well although not to the extent originally expected accounting for 0.6 percent of IFC s net profit IEG found that the GTFP has particular additionality among higher risk countries In its early years it was concentrated in these countries particularly in Africa During the global crisis the program risk mitigation instrument became relevant in much broader markets Client feedback on the program has been positive In its evaluation IEG does offer several recommendations to enhance its effectiveness including on issues of transparency and reporting methods as well as expanding the share of the program in needier markets For development professionals the lessons in this evaluation can be applied to private sector development situations particularly mitigation of financing risks in emerging markets

Hanoi's War Lien-Hang T. Nguyen,2012-07-15 While most historians of the Vietnam War focus on the origins of U S involvement and the Americanization of the conflict Lien Hang T Nguyen examines the international context in which North Vietnamese leaders pursued the war and American intervention ended This riveting narrative takes the reader from the marshy swamps of the Mekong Delta to the bomb saturated Red River Delta from the corridors of power in Hanoi and Saigon to the Nixon White House and from the peace negotiations in Paris to high level meetings in Beijing and Moscow all to reveal that peace never had a chance in Vietnam Hanoi s War renders transparent the internal workings of America s most elusive enemy during the Cold War and shows that the war fought during the peace negotiations was bloodier and much more wide ranging than it had been previously Using never before seen archival materials from the Vietnam Ministry of Foreign Affairs as well as materials from other archives around the world Nguyen explores the politics of war making and peace making not only from the North Vietnamese perspective but also from that of South Vietnam the Soviet Union China and the United States presenting a uniquely international portrait

The Indochinese Experience of the French and the Americans Arthur J. Dommen,2002-02-20 Dommen s book promises to be the definitive political history of Indochina during the Franco American era William M Leary E Merton Coulter Professor of History University of Georgia This magisterial study by Arthur J Dommen sets the Indochina wars French and American in perspective as no book that has come before He summarizes the history of the peninsula from the Vietnamese War of Independence from China in 930-39 through

the first French military actions in 1858 when the struggle of the peoples of Indochina with Western powers began Dommen details the crucial episodes in the colonization of Indochina by the French and the indigenous reaction to it The struggle for national sovereignty reached an acute state at the end of World War II when independent governments rapidly assumed power in Vietnam and Cambodia When the French returned the struggle became one of open warfare with Nationalists and Communists gripped in a contest for ascendancy in Vietnam while the rulers of Cambodia and Laos sought to obtain independence by negotiation The withdrawal of the French after their defeat at Dien Bien Phu brought the Indochinese face to face whether as friends or as enemies with the Americans In spite of an armistice in 1954 the war between Hanoi and Saigon resumed as each enlisted the help of foreign allies which led to the renewed loss of sovereignty as a result of alliances and an increasingly heavy loss of lives Meticulous and detailed Dommen s telling of this complicated story is always judicious Nevertheless many people will find his analysis of the Diem coup a disturbing account of American plotting and murder This is an essential book for anyone who wants to understand Vietnam and the people who fought against the United States and won

William Colby and the CIA John Prados,2009-10-08 It is surprising that no one previous to John Prados attempted a biography of quintessential cold warrior William Colby because his story is in many ways also the story of the CIA From Italy to Vietnam to the military coup in Indonesia to Watergate the prosecution of Richard Helms investigations of CIA assassination plots and the drugging and surveillance of unwitting Americans Colby was there on the ground or deeply involved at headquarters The Guardian William E Colby was one of the most enigmatic figures of the Cold War and a central player in the operations of the Central Intelligence Agency While publicly appearing as a calm bureaucrat behind the scenes Colby helped orchestrate some of CIA s most controversial operations His mysterious death even added to the aura In the wake of new questions relating to CIA activities since 9 11 which John Prados discusses in his new preface Colby s story provides crucial lessons for a nation that still struggles to reconcile intelligence methods with democratic principles Prados tracks Colby s life and career from early years in the OSS to his tumultuous tenure as Director of Central Intelligence in the 1970s Reviled by many outside the CIA for his role in Vietnam and inside it for his cooperation with probes of the agency Colby was cast as a scapegoat by the Ford White House during the Church and Pike congressional investigations In addition Prados offers fresh insights and new perspectives on Colby s involvement in the notorious Phoenix program in Vietnam and in the bloody Indonesian coup of 1965 that overthrew President Sukarno and brought General Suharto to power as well as on the CIA s role in the 1963 assassination of President Ngo Dinh Diem of South Vietnam and on the actions of high level CIA officials during the final demise of South Vietnam in 1975 A masterful study of a master spy William Colby and the CIA also offers a vital and timely history of the inner workings of the Company for which he worked

Originally published in a cloth edition under the title *Lost Crusader* and retitled for this first paperback edition William Colby and the CIA explores dilemmas of intelligence that are of renewed importance today **Lost Crusader** John Prados, 2003
John Prados is a senior researcher at the National Security Archive in Washington *Infantry*, 1965 **The**
Encyclopaedia Britannica Hugh Chisholm, 1910
