Dear Ms. Jeffries,

My name is Thomas Ninja, and I am a Ph.D. candidate studying Modern Culture at the University of Pennsylvania. I am submitting my manuscript titled, *The Cultural Impact of The Art of Ninjutsu* for consideration as a Cultural Studies Journal research article.

This work reflects 9 months of research on the evolution of Ninjutsu from its use as a tool of covert warfare in Feudal Japan to its role in pop culture today. Along the way, I uncovered some meaningful connections between this metamorphosis and other socio-political changes that were also occurring in parallel. My research corroborates previous studies indicating that current events impact public embrace or objection to martial arts.

I believe this submission will be useful to your readers, as it addresses the topic of both modern and ancient using a unique phenomenon as a lens. The research stands to benefit students researching Pacific Rim Studies, Western Film and Pop Culture, and other phenomena.

I am submitting this work to you on May, 23rd, 2021. This work has not been published in another journal, nor is it in consideration for publication. I have informed my advisor as well as the two contributing researchers that I am submitting this work to you, and have obtained their permission to do so. Their names are listed in the attached document.

Please let me know at your convenience if you are interested in publishing this research.

Regards,

Thomas Ninja
