From your friends at www.LearnGuitarSetups.com and the Guitar Setup Pro App. What to expect. If you play electric guitar, acoustic guitar, classical guitar or even play bass guitar, you can learn guitar set up and maintenance for yourself with this top selling guitar repair book. After years of successful workshops and group guitar setup classes led by the Canadian guitar tech educator Jonny Blackwood, this guitar setup guide has been tweaked and refined to simplistic perfection in keeping true to the testament that less sometimes is more. After all, there are some excellent in depth guitar repair/luthier books on the market, but that's not what you're after when you just want to lower the string height, adjust the truss rod and/or set the intonation. This book is written for beginners as an introduction to guitar setup and maintenance for those who cannot attend our guitar setup classes in person and for those who want to understand their instrument inside and out. You will learn the methods of true pro guitar setups and the specifications used on numerous styles of guitars. The highlights in this book are simplicity, clear instruction, lots of photographs and lots of examples/specifications to try on.
